

# Space Calendar Randomiser

# Instructions

Open the PowerPoint in presentation mode.  
To start and stop the randomiser wheels, press the red button.

Spin the randomiser to build the foundations for your story.

## To change the text on the wheel:

1. Right click on the wheel.
2. Select 'Edit Data' from the menu that appears.
3. Change the text.
4. Close the menu.
5. If your new word has shifted position off the wheel, left-click the word and drag it back into place.
