Mini-project: The Town Where I Live

Tanya Yavkina

Class 11V

2013

- My native town Zubova Polyana is situated in Mordovia.
- Some people can't imagine their lives without theatres, multistoreyed houses and broad avenues all that's typical of every big industrial city.

○ There are no theatres, multistoreyed houses and broad avenues in my town, but still I do like it because I was born here, my parents live here and I've spent here almost all my life

○ You may think that the life in provincial town is rather dull and far from being interesting.

- Perhaps, you are right.
- But I'll try to prove that this life has got quite a lot of advantages.

- Every morning you get up and breathe in fresh air full of various scents which depend on a season: in summer it is a smell of fresh grass and flowers, in winter it is a smell of frost and snow which covers everything with its white thick duvet.

- My native town becomes especially beautiful in early spring when there is a great number of rose-shrubs in flower-beds and everything is in blossom.
- This time I like to tramp down the streets lined with birch, pine and spruce.

- Those who want to have some entertainment can go to the Park.
- Those who prefer dancing may go to a disco.

- It's rather popular with young people especially teenagers.
- It's a pity we have no concert-halls or theatres.

- But we have lot of opportunities to go in for sports because there are two big stadiums in the town.
- I quite forgot to tell you that there are some good cafes in my town, you can call at any of them.

- I am sure you'll like it there if you want to have some ice-cream or coffee or just have a talk with your friends.
