

Teen Camps

Module 6 b

Summer vacations are the best period to relax and spend the time with your family and friends.

There are different types of camps where children can have fun.

ART CAMP

SPORTS CAMP

Tech Camps

The camp has many children from different cities and is a great way to find new friends. The camps are usually located in good locations such as the seashore, near lakes or in the mountains. Therefore, children can breathe fresh air, swim, do a lot of sports and other things. Camp shifts can last several days, a week or a month depending on the program. Each camp has its own program and activities. Children can have a lot of interesting events in the summer camp. They draw, swim, take part in competitions, watch interesting concerts.

There are camps where children not only relax, but also learn.

For children it is an unforgettable vacation, they make a lot of photos. After the camp shift, many children continue their friendship with new friends and miss them very much.
