CASA MIMOSA

A MODERNIST HOTEL CLOSE TO LA PEDRERA

- Set in a listed 19th-century modernist building and located on the same block as Casa Milà, the H10 Casa Mimosa is an exclusive 4-star superior hotel opened in 2016. Its elegant and timeless interior combines a cosmopolitan design with the building's original modernist structure. The establishment features spacious rooms, a restaurant and Lobby Bar El Til·ler with access to a leafy garden with swimming pool and sunlounger area, as well as the Les Cotxeres meeting room located in what was once the building's coach house. It also boasts El Cel de Gaudí, a wonderful chill-out terrace on the top floor, with a plunge pool and exceptional views of La Pedrera.

Spacious, welcoming rooms with top-of-the-range amenities and exclusive services.

Enjoy Mediterranean cuisine at the El Til-ler Restaurant or relax in our fabulous garden, a small oasis in the city.

Take in the amazing views of La Pedrera while enjoying a cocktail on our terrace, El Cel de Gaudí, which features a plunge pool and sunlounger area
