A vibrant, stylized illustration. In the foreground, a yellow paper boat floats on a green, wavy sea. The boat is overflowing with various flowers: a large yellow daisy-like flower, a pink tulip, an orange flower, and a cluster of small yellow flowers. A small red bird is perched on the edge of the boat. Inside the boat, there are small houses with green and purple roofs. The background is a light blue sky with falling hearts in red, purple, and orange, and a large, soft white sun. The overall style is whimsical and celebratory.
