TEXT

I'm fond of reading. Usually I borrow books from the library, but I have a lot of them at home, too. I like to read books about famous people and detective stories. Literature means much in my life. It helps to form the character and to understand life better. There are some names in Ukrainian and Foreign literature that are very dear to me.

A stack of five books is shown against a plain white background. The top book is open, revealing its pages which are slightly aged and yellowed. The books below it are closed, with their spines and covers visible. The covers of the books in the stack are primarily red and blue. The word "BOOKS" is printed in a bold, red, sans-serif font, centered over the open book.
