

КУШЛЕВЦОВ АЛЕКСАНДР

Проект Лабиринт февраль 2020

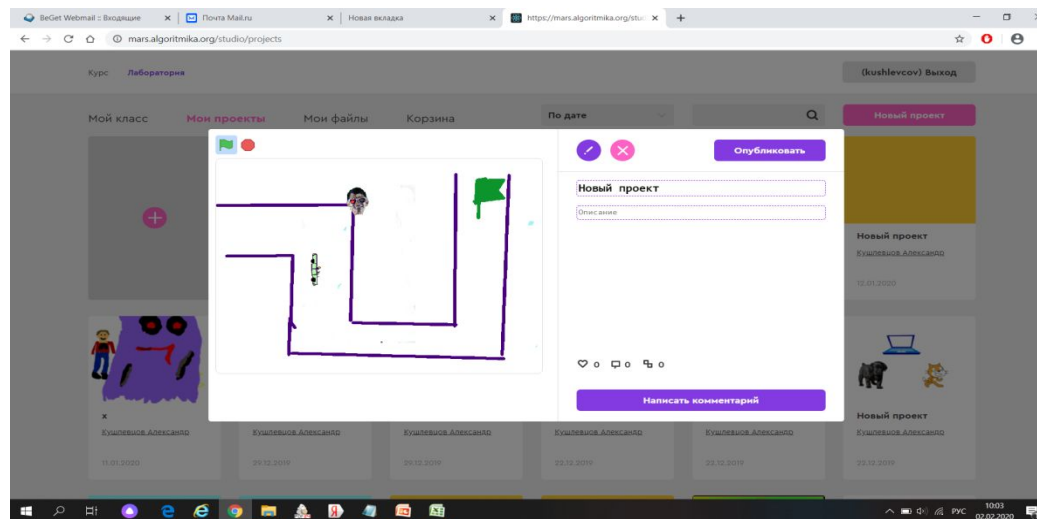

ЦЕЛЬ: ПРОЙТИ ЛАБИРИНТ

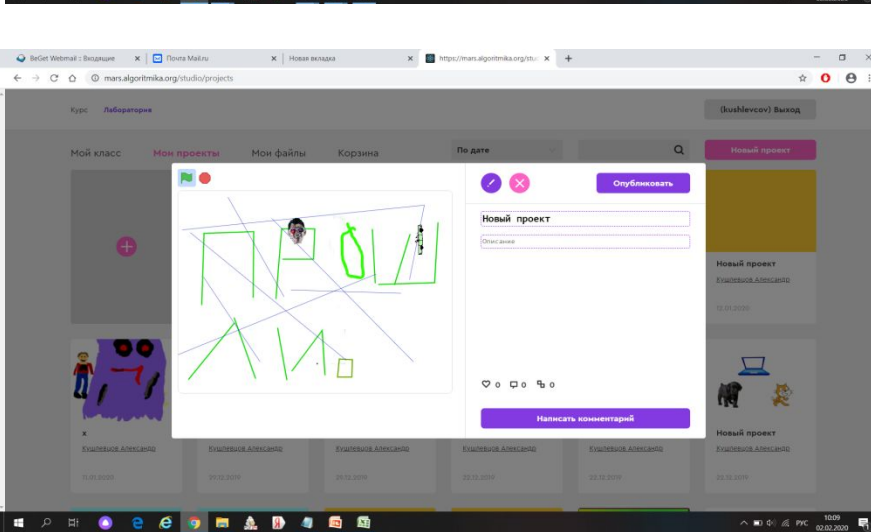

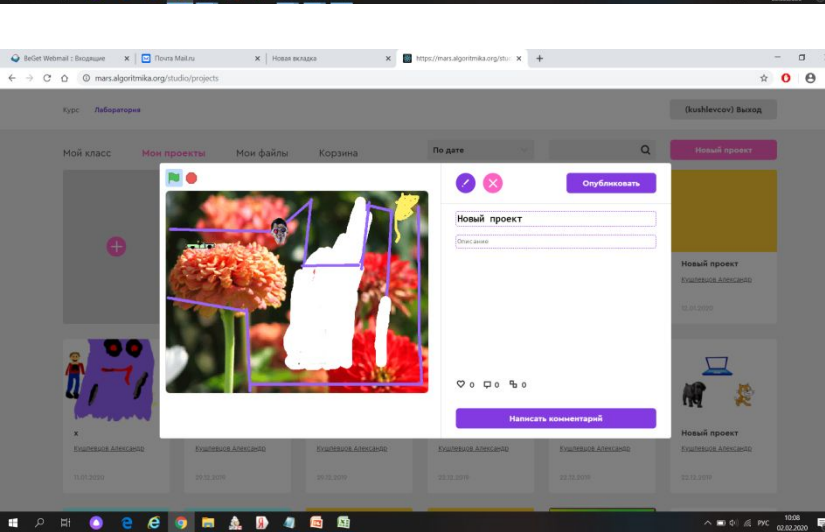

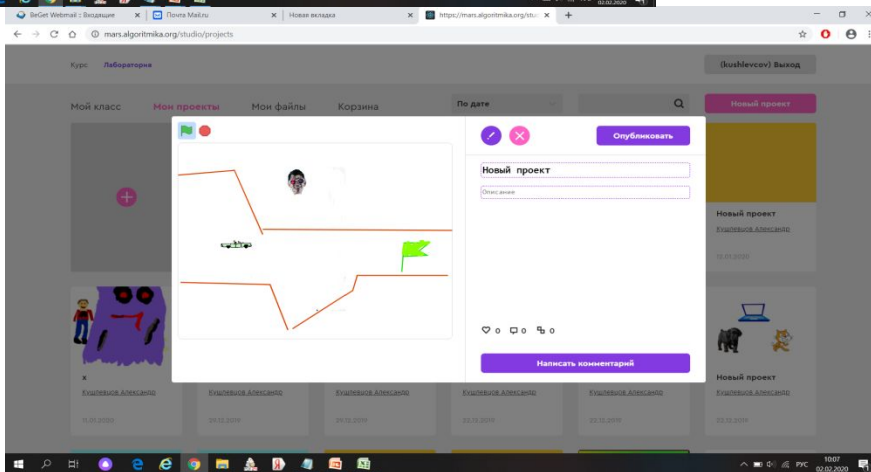

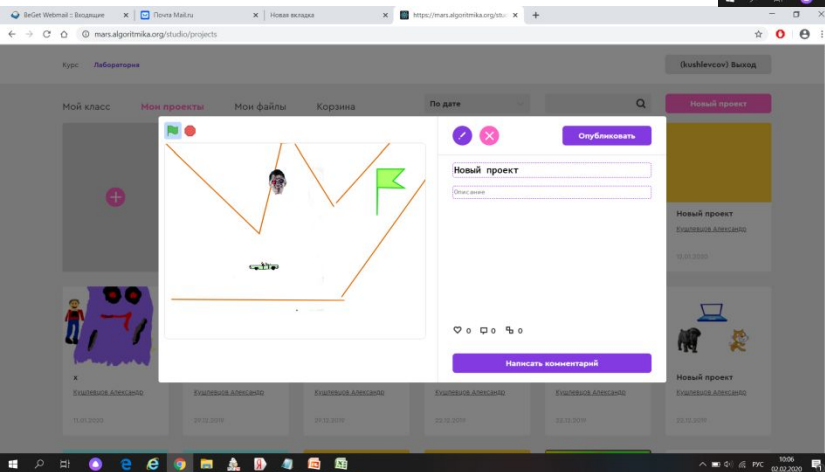

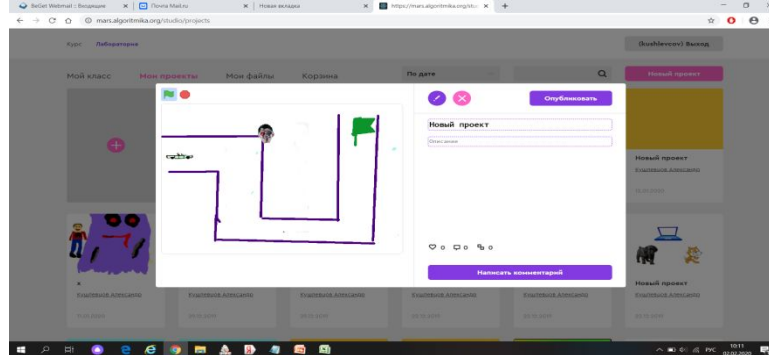

ОПИСАНИЕ:

1. УПРАВЛЕНИЕ СТРЕЛКАМИ
ВЛЕВО, ВПРАВО, ВВЕРХ, ВНИЗ.

2. НЕЛЬЗЯ КАСАТЬСЯ
СТЕНОК_ ИГРА СНАЧАЛА.

УРОВНИ:

ПРОГРАМА:

This screenshot shows the Scratch editor interface for a maze game. The script on the left includes the following blocks:

- When green flag clicked, set background to background.
- When green flag clicked, set x to 204, y to 54.
- When green flag clicked, set direction to 90.
- When green flag clicked, set color to red.
- When green flag clicked, set x to 204, y to 83.
- When green flag clicked, set color to green.
- When green flag clicked, set direction to 90.
- When green flag clicked, set x to 207, y to 83.
- When green flag clicked, set color to green.
- When green flag clicked, set direction to 90.
- When green flag clicked, set x to 204, y to 83.
- When green flag clicked, set color to purple.
- When green flag clicked, set x to 207, y to 83.
- When green flag clicked, set color to yellow.
- When green flag clicked, set color to purple.
- When green flag clicked, set direction to 90.
- When green flag clicked, set color to purple.
- When green flag clicked, set direction to 90.

The preview window on the right shows a maze with a character at the top, a green flag at the top right, and a green car at the bottom left. The bottom status bar shows the time 10:13 and date 02.02.2020.

This screenshot shows the Scratch editor interface for a maze game, similar to the first screenshot but with a different script. The script on the left includes the following blocks:

- When green flag clicked, set background to background.
- When green flag clicked, set x to 204, y to 54.
- When green flag clicked, set direction to 90.
- When green flag clicked, set color to red.
- When green flag clicked, set x to 204, y to 83.
- When green flag clicked, set color to green.
- When green flag clicked, set direction to 90.
- When green flag clicked, set x to 207, y to 83.
- When green flag clicked, set color to green.
- When green flag clicked, set direction to 90.
- When green flag clicked, set x to 204, y to 83.
- When green flag clicked, set color to purple.
- When green flag clicked, set x to 207, y to 83.
- When green flag clicked, set color to yellow.
- When green flag clicked, set color to purple.
- When green flag clicked, set direction to 90.
- When green flag clicked, set color to purple.
- When green flag clicked, set direction to 90.

The preview window on the right shows a maze with a character at the top, a green flag at the top right, and a green car at the bottom left. The bottom status bar shows the time 10:14 and date 02.02.2020.
