

## PLACE

- the skyline needs to represent dubai
- beach house with beach

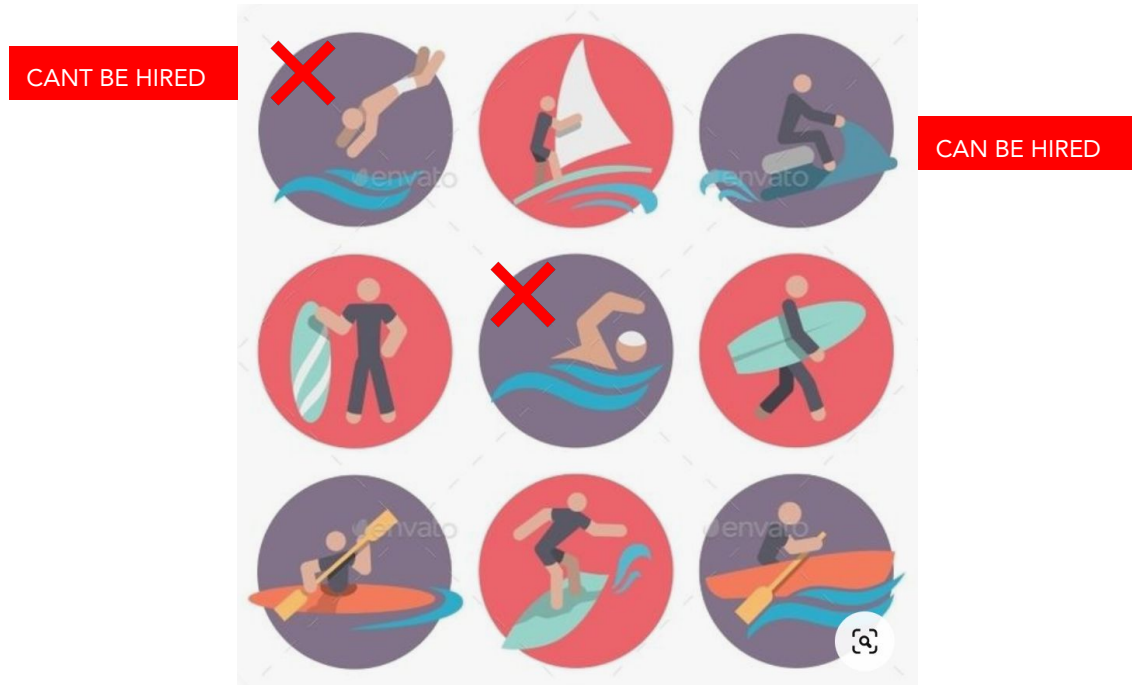

# FOOD

- more food and more hands / variety
- table should feel full, like an overload
- drinks – mocktails – NO ALCOHOL

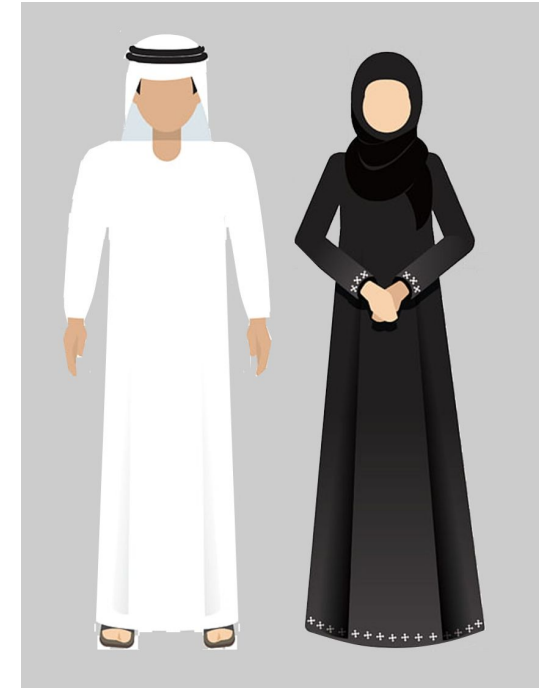

# FUN

- along with beach house, fun should be beach item
- focus is on something a client can hire/book
- ladies not wearing bikinis – I'd prefer the fun to be male (just easier for conservative folks)

# COMPOSITE

- Arabic people to be present
- Family members including kids
