Hi Daria,

I found your profile on the InterExchange website.

If you like interacting with people and being in a fun team environment, then this is the job for you. You don't have to be an expert on photography or selling- we will train you. You must have good English, be friendly and able to smile a lot. You must be comfortable standing on your feet for long periods of time and working outdoors (at certain locations). We have high standards for our team and expect professionalism, high quality work after training and great attitudes. We also have a great recognition and reward program!

There are different incentives given from time to time when we have friendly competitions for photos and sales between the Team. We also have fun team events on a regular basis!

I have attached some testimonials from previous J1 students that have worked for us, some pictures of our past Team Members and them doing the job so you can see what it is like working for us and see what an amazing Team we have!

Check out our Facebook page as well! <https://www.facebook.com/DellsHotShots>

If you have any questions, please let me know.

We provide housing in Wisconsin Dells.
