Нужно уметь **выделять главное!**

1. ЛИНИЯ

Помогает направить взгляд.
Расставляет акценты.
Создает ощущение движения.

003

Monolithic Building put a great deal of effort
restoring the building. The emphasis was to
use one of modern materials and should be
sustainable. This was for a few steps but
didn't work. That is not one of modern
materials and should be sustainable. This was
in a few steps but didn't work.

The emphasis was to use one of modern
materials and should be sustainable. This was
in a few steps but didn't work. After
Monolithic Building bought the building.
