

Roses are red  
Violets are blue  
Sugar is sweet  
And so are you  
Dear Mommy! I love you!

My Mom is pretty  
My Mom is sweet  
My mom is the best one  
You can meet

Mommy, I love you  
for all that you do  
I'll hug you and kiss you  
Because you love me too

You make me happy  
When I'm sad  
I love you Mommy  
And I'm so glad!
