Insert Lines in QA Event

The screenshot shows the SBtech betting interface. The top navigation bar includes 'Pre-Match', 'Live', 'Manage', 'History', and 'Racing'. The left sidebar lists sports categories: All Sports (225), Soccer (65), BasketBall (8), Tennis (9), Ice Hockey (9), Handball (1), Golf (2), Motor Racing (1), International (1), Formula 1 World Champion (1), Outright (21:35), Cycling (1), Rugby Union (1), Cricket (1), and Virtual Sports (127). The main area displays the 'OutRight' event for 27.02.2017 at 19:35. It shows a table with columns for Team, Odds, and a plus button. The table has two rows: Team1 with odds of 1.5 and Team2 with odds of 2.5. A yellow box highlights the 'Outright' event in the sidebar, a green box highlights the odds input field for Team2, and a yellow box highlights the plus button. A yellow arrow points from the plus button to the instructions box. A green arrow points from the instructions box to the odds input field. An orange arrow points from the instructions box to the 'Outright' event in the sidebar.

1. Open the QA Event
2. Fill as many teams who want
3. Fill odd for each team
4. Press add button
