MEET THE ADDAMS FAMILY

Once Upon a Time...

...there lived
in a very big,
old house a
family called
the Addams
Family...

MRS. ADDAMS

The mother's name is Morticia.

Her hair is black. Her eyes are black. And she always wears a black dress.

MR. ADDAMS

The father's name is Gomez. He wears a suit most of the time, tells many jokes, and is very happy in his own way.

THEY HAVE TWO CHILDREN...

...Wednesday, who is
a very serious girl

and

Pugsley, who is
always playing
tricks on his sister.

MORE ADDAMS

Grandma

and

Uncle Fester

are members of the family, too.

LURCH AND A LIZARD

Lurch is the family's helper and oh, we can't forget Pugsley's pet lizard!

Here is a picture of the whole family together.

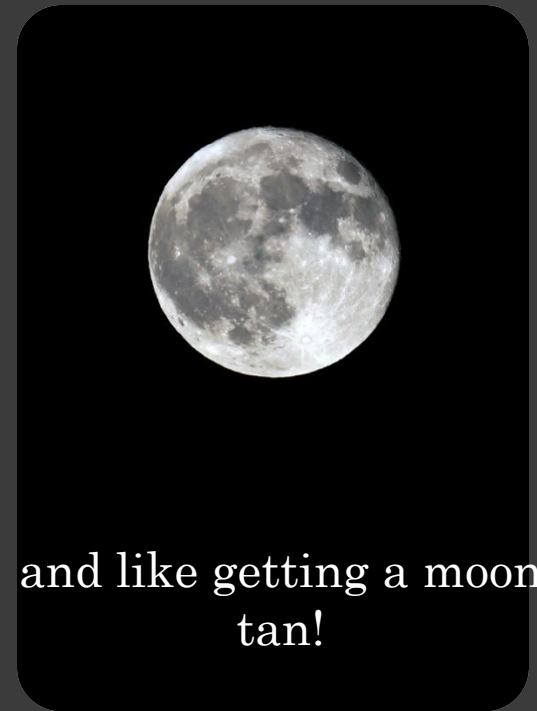

THE ADDAMS FAMILY...

...is happy when it rains,

feed mice to their plants,

and like getting a moon
tan!

Are you happy when it rains, too?

JUST LIKE YOU!

In many ways, the Addams family is just like your family. Here they are having dinner with friends.

SHADOW PUPPET

Morticia and Gomez love their children very, very much.

WHAT MAKES YOU AFRAID?

And just like us, some things make them afraid. But they do not run away from their fears. They talk about them and then don't feel so frightened anymore...

THEY FACE THEIR FEARS...

...AND SO, THEY LIVE
HAPPILY, DIVIDED APART
