#### Be careful!

You could be addicted to our platform. Actually, you definitely will.

#### Because:

If you ever tried to hire voice over actor before, you probably know how time consuming this process been. Discuss, discuss and discuss, same questions each time, again and again...

But here is a place where you don't need to discuss prices, don't need to discuss delivery time or commercial rights anymore.

Just listen voice, press order button and get recording done. Without bla, bla, bla~

Here you can see total prices and total delivery time for your 150 Spanish words script.
