

SCANDAL

Read about some of the hottest scandals of Hollywood and try to identify passive voice.

Ladies and gentlemen, welcome to our show! "The art of gossip" is on air again, and tonight we have some of the weeks best gossips just for you! So, who are the celebrities that have made reporters run after them this week? Let's find out!

The famous rapper Kanye West was strongly criticized for telling two wheelchair-bound fans to stand up during his concert in Australia. While all the crowd was standing on their feet, the two fans were asked not to spoil the atmosphere. Not only was Kanye left red-faced by his mistake, but twitter was on fire!
