

What's the weather like?

It isn't cold.

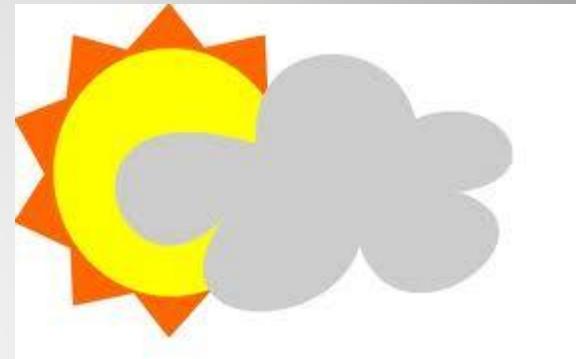

It's hot

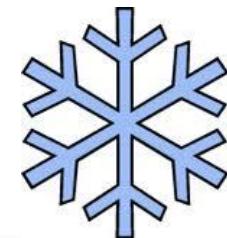

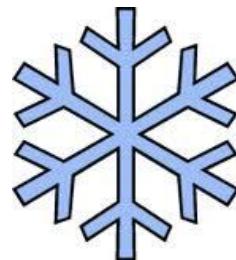

It's raining

It isn't very cold

**It's a bit
cloudy**

**It's snowing
It's fun**

It's very cold
He is shivering

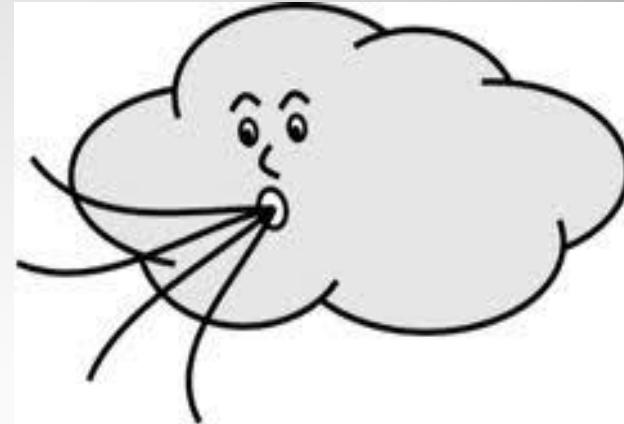

The man is stuck
in the snow
He is worried

**It's a bright day
I love good weather**

**There's rain
and
thunder**

**It's windy
I hate windy
days**

**Don't forget
your umbrella**
