

1969

The 20th of July

Millions of people watched American astronauts...

The astronauts put on their space suits...

and backpacks with oxygen to breathe...

They went to the
spaceship...

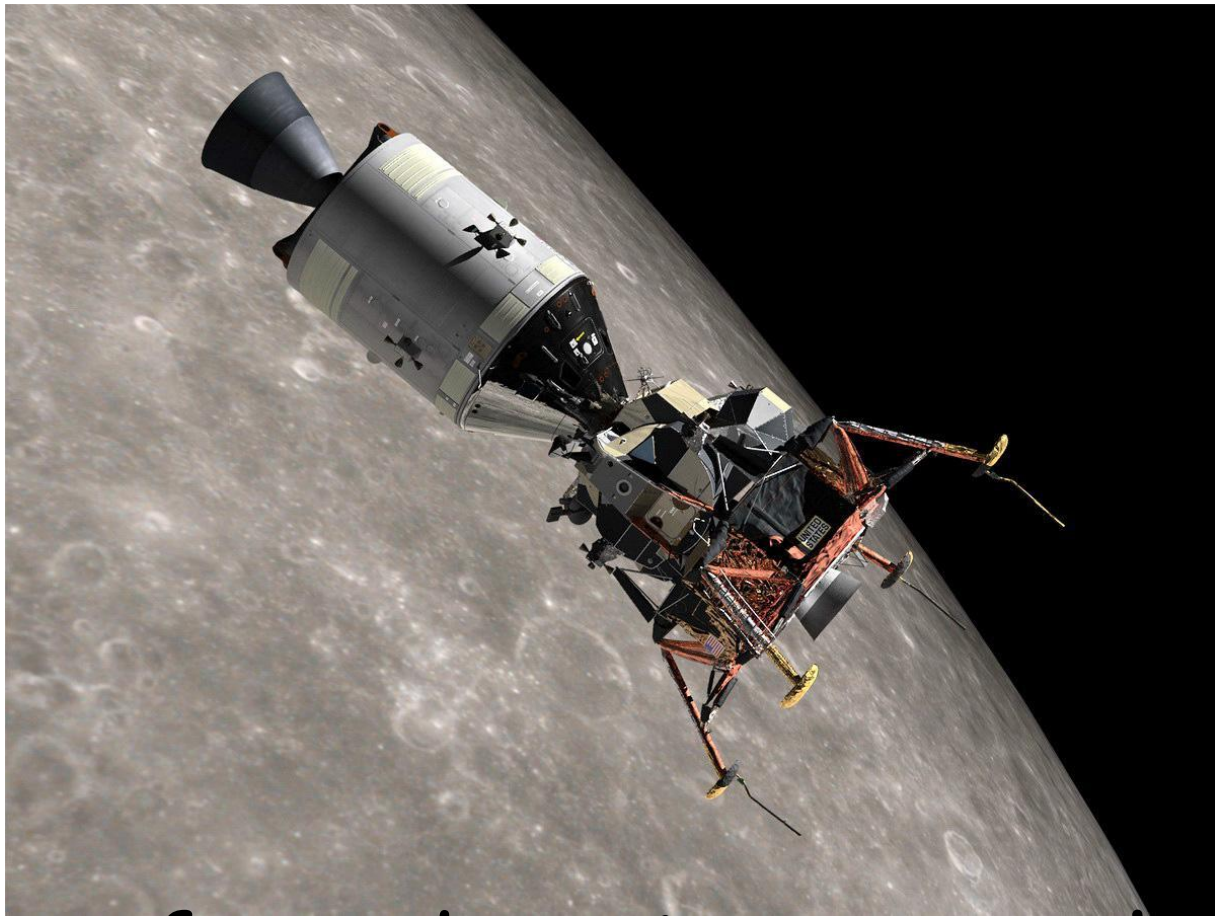

They went to the
spaceship "Apollo 11"

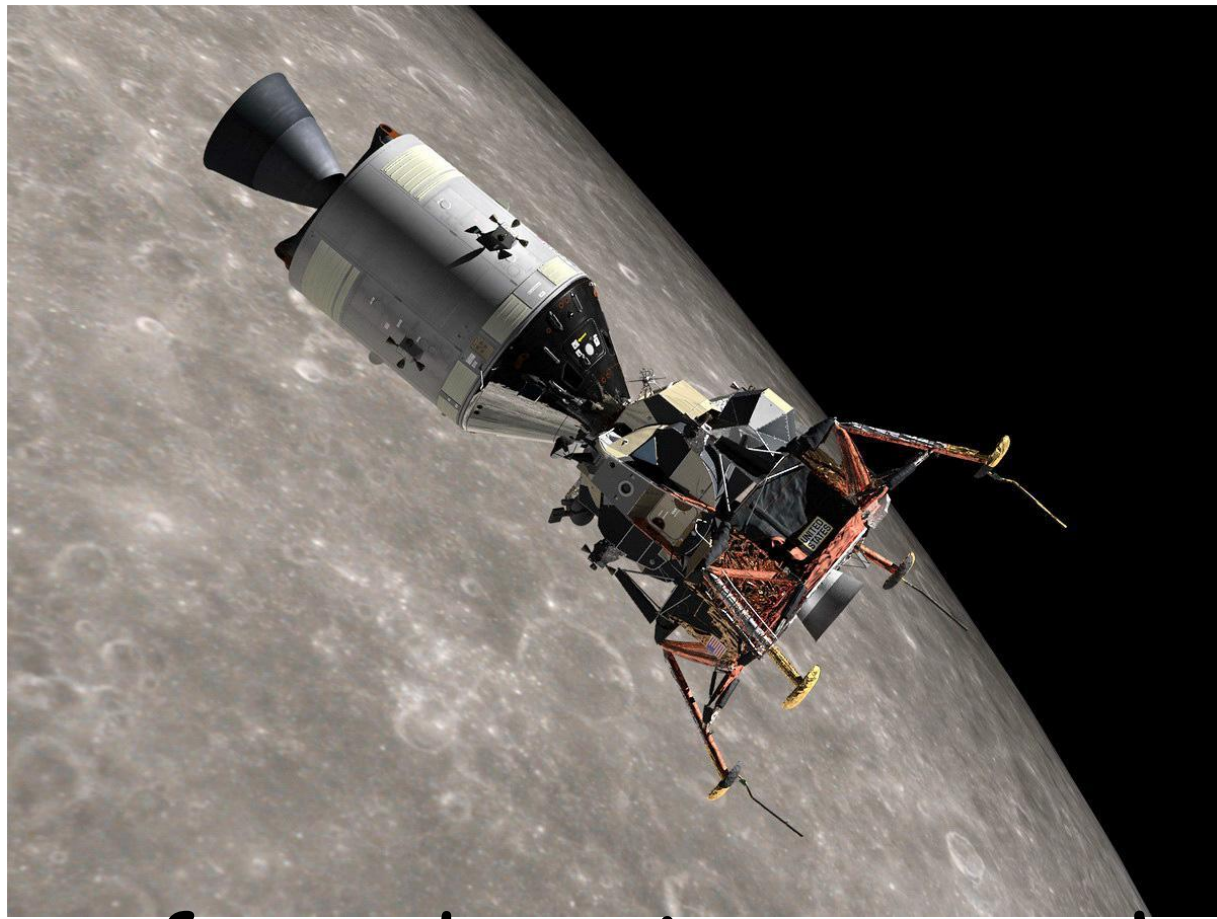

Finally **Apollo 11** went to space!!!

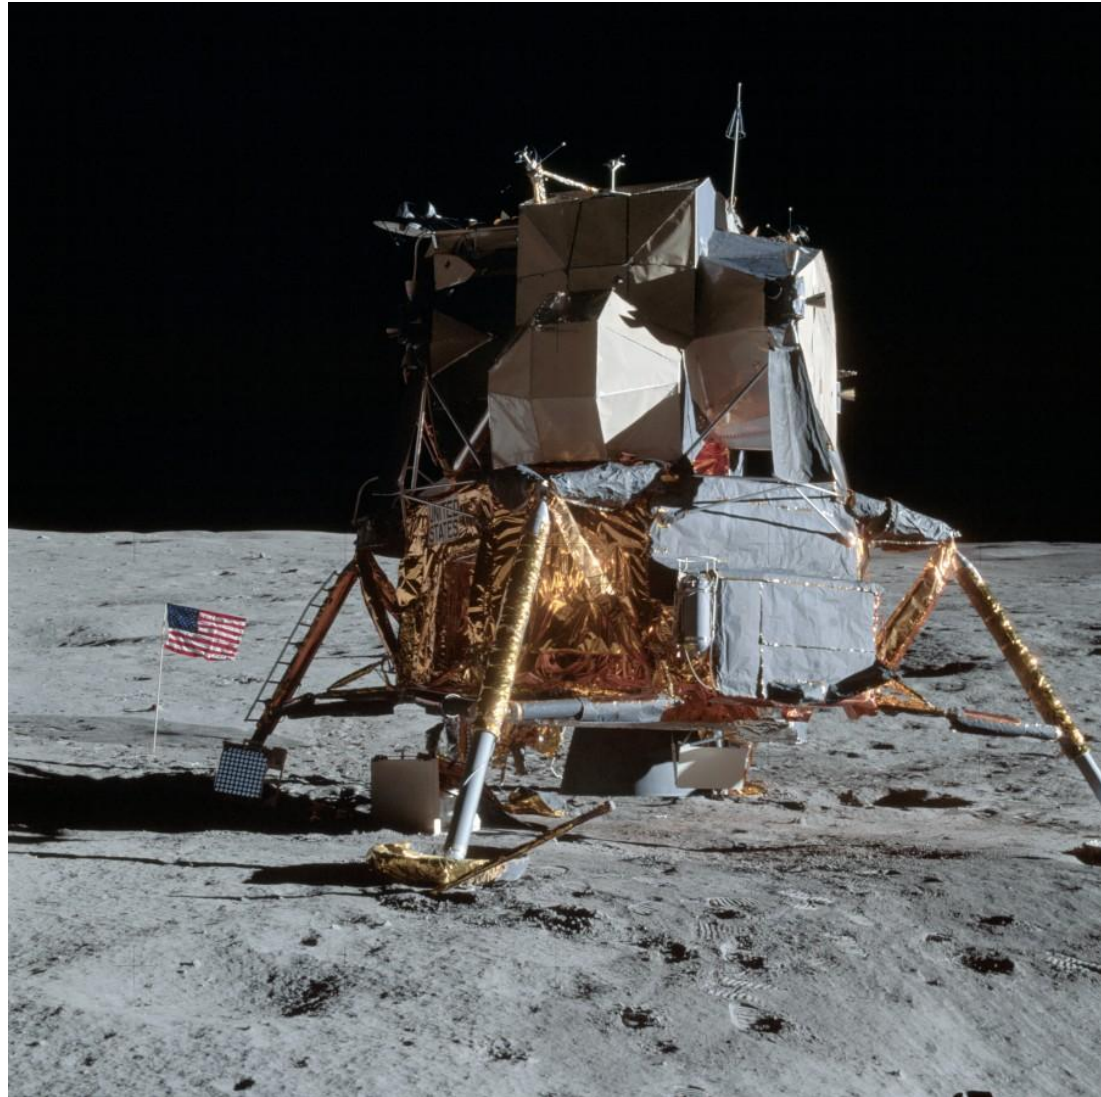

After four days in space they came to the ...

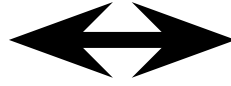

After four days in space they
came to the Moon!

The Apollo 11 landed on the moon!!!!!!!!!!!!!!

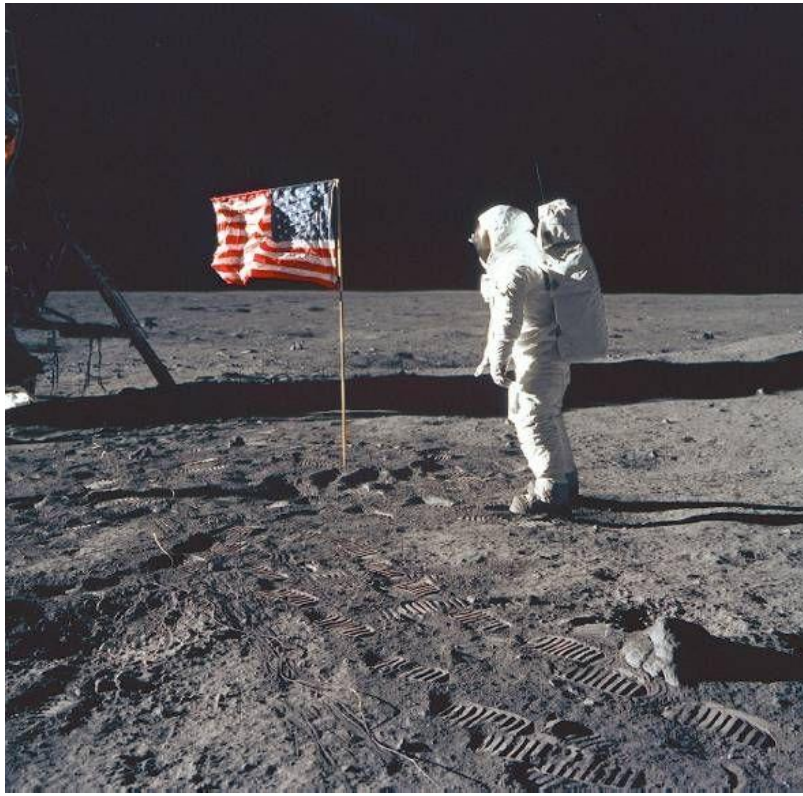

The first man stepped on the moon.

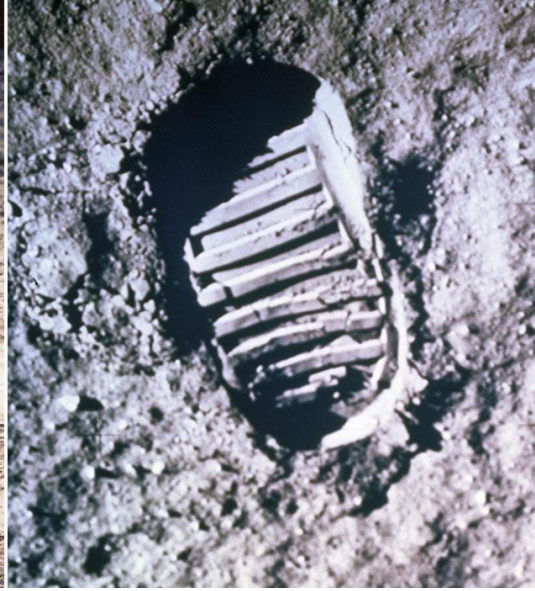

Neil Armstrong

He put the American flag
on the Moon ...

... and took the Moon minerals ...

...and made his footprints on the
Moon.

Those astronauts were real **SUPER HEROES!**
