START

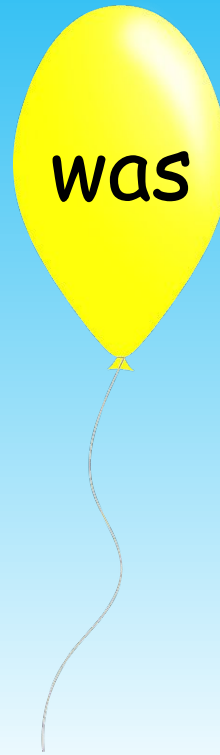

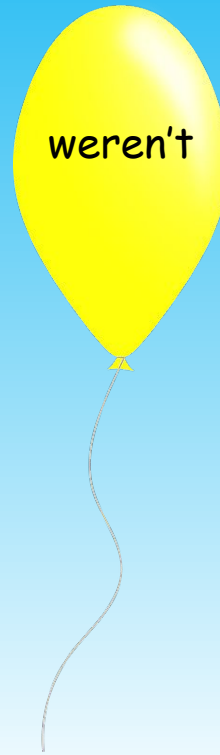

Winnie and Pyatochok were in the forest

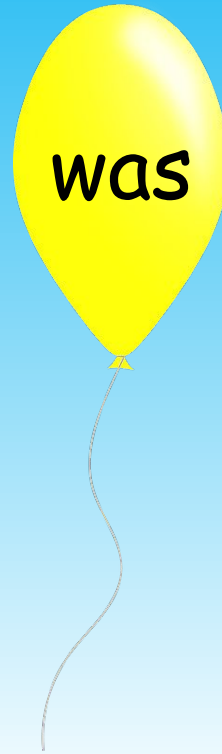

It was very sunny and warm

Winnie and Pyatachok were hungry

They weren't happy

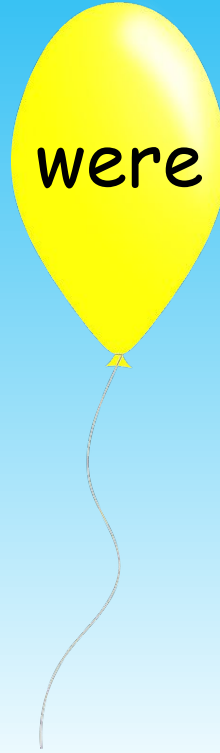

There was a big tree

weren't

were

was

There was a lot of honey

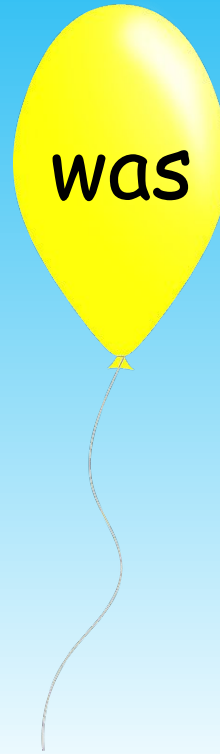

weren't

were

was

But this honey was in a hive

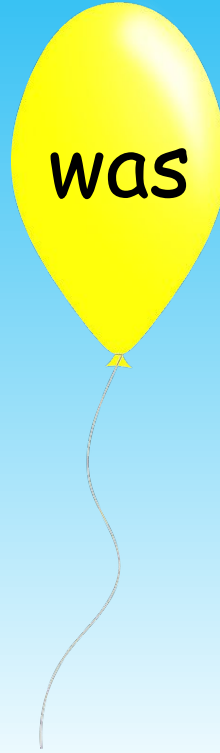

There were a lot of bees in the hive

wasn't

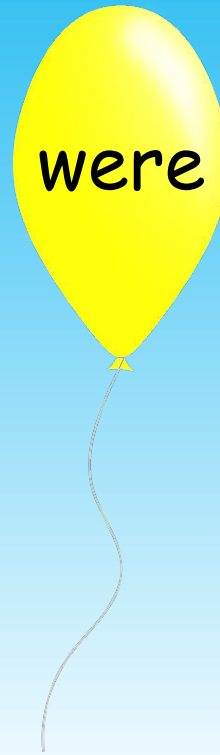

was

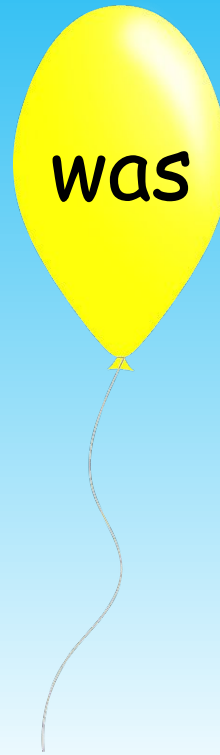

weren't

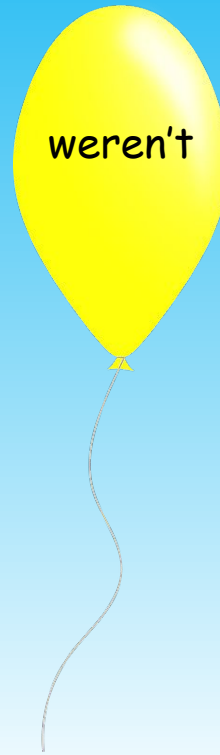

And these bees weren't very kind

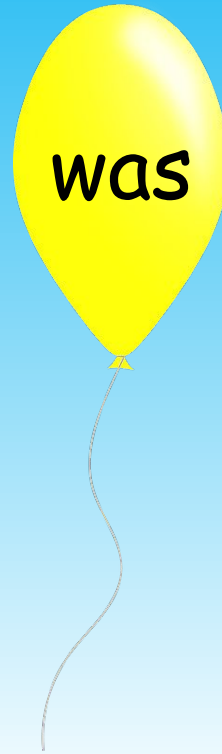

Pyatochok was clever

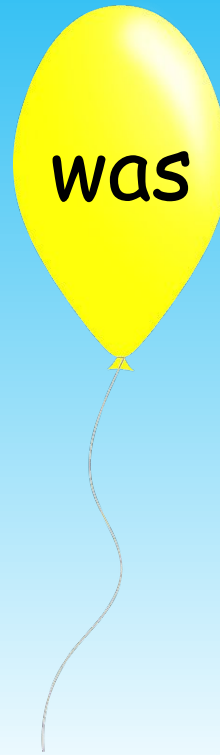

His gun was loud

But the bees weren't afraid of the gun

The bees were very angry

Pyatochok and Winnie were scared!

Well done!
