# Words

Curious case- курьезный случай

Self-controlled- самоуправляемый

Fully reclined- полностью откинута

Responding- отвечающий

Accelerating- ускорение

To accuse- обвинить

To revoke the license- лишить прав

Embedding security- встроенная безопасность

---

# Questions

In which province of Canada did this incident occur?

What was the original speed of the car?

How old was the driver?

What is autopilot for according to a police officer?
