Ideal teacher.

Ideal teacher...

I think that
the ideal
teacher is a
smart,
responsible
and kind
person.

He must love, understand
and respect children.

And of course, he must
be a great specialist.

Ideal teacher...

In any situation the teacher must speak correctly and clearly.

Jessica Comingore

Teacher should be able to listen and understand children, should be their mentor and friend.

Ideal teacher...

In my opinion, the appearance of the teacher is also very important.

Clothing should be first of all clean and neat.

Do not wear clothes with very bright colors.

Ideal teacher...

**As for us, we have a
chance to become
an ideal teacher for
someone!**
