Octoberfest

The October festivities, including Munich, Folklore Festival, held annually in Munich (Germany), the biggest folk festival in the world.

Oktoberfest attracts every year about 6 million visitors come to Munich from all parts of Bavaria and Germany as well as from other countries. Festival is held in mid-September - early October Meadow Teresa - in the center of Munich, near the main railway station. It lasts an average of 16 days. Holiday features a large number of beer tents and a variety of attractions.

Selling Food

The main festival is a drink specially brewed beer oktoberfestovskoe, which can be purchased only at this time of year. As beer snacks are very popular fried chicken, huge pretzels, white Munich sausage, potato and cabbage salads, as well as ham, roasted on a spit bulls and baked fish on a stick.

Clothes

Attractions

At the festival there are many rides - from traditional carousels, where you can go for more than eighty years, to ultra-modern designs such as "roller coaster."
