Litigation in France

- Procedure in French courts is carried out by parties filing written submissions.
- Oral advocacy plays a relatively minor role in civil litigation AND oral cross-examination of witnesses does not exist.
- There are no juries whatsoever before the civil courts and large scale damages are virtually unheard of.
- French Lawyers have a monopoly on appearing before the latter and claimants may not usually appear in person before the TGI.

- Structure of law of france
- The term civil law in France refers to private law (laws between private citizens, and should be distinguished from the group of legal systems descended from Roman Law known as civil law, as opposed to common law. The major private law codes include: The Civil Code, The Code of Civil Procedure, The Commercial Code, ture of law of france

- Sources of law of France
- Legislation is seen as the primary source of French law. Unlike in common law jurisdictions, where a collection of cases and practices (known as the "common law") historically form the basis of law, the French legal system emphasizes statutes as the primary source of law

- History of law of Germany
- German Civil Code, German Bürgerliches Gesetzbuch, the body of codified private law that went into effect in the German empire in 1900. ... The concept of law embodied in the code was the gemeines Recht, the common law based on the 6th-century codification of Roman law put in force by the emperor Justinian

- Structure of law of Germany
- The most important reference of this area is the Civil Law Book (Bürgerliches Gesetzbuch, BGB), which consists of 5 major parts: the common/general part, the law of obligations, property law, family law and law of succession.

- Sources of law of Germany
- There are two sources of law in Germany: statute and customary. Statute (Gesetz) - includes the constitution, the codes and any additional statutes. This also includes regulations of the Federation, the Ministries of the Federation and the states. Local by-laws and rules are not considered Gesetz.
