* Kharkov travelers: Sergey Onishchenko

* Sergey Onishchenko - vagabond from Ukraine who is hitch-hiking round the world and spreading his indie-folk tunes with a touch of non-conformism and Beat Generation ideas and exhibiting his minimalistic landscape photography taken in omnifarious places during his journeys.

Each concert is played with new members and all songs are created and recorded in different parts of the world. Experiments with sounds and collaborations with audience can turn one-man-band in a duo or in quite a large improvising ensemble so be ready to take part in a process of creating music.

* Music <http://makelikeatree.org>
Photos <http://onisch.tumblr.com/>
