LONDON

Plan:

1. london
2. Parts of London
3. Beautiful places of London

London

- London is the capital of Great Britain, its political, economic and cultural center. It's one of the largest cities in the world. Its population is more than 9 million people. London is situated on the river Thames. It was founded more than two thousand years ago.
- London is an ancient city. It appeared at the place where the Roman invaders decided to build a bridge over the Thames.

Parts of London

- here are four parts in London: West End, East End, the City and Westminster.
- The City is the oldest part of London, its financial and business centre. There are many offices, companies and banks in this part of the capital. The heart of the City is the Stock Exchange. The Tower of London and St Paul's Cathedral are situated in the City.
- Westminster is also important part of the capital. It's the administrative centre of London. The Houses of Parliament, the seat of the British Government, are there. Opposite the Houses of Parliament is Westminster Abbey where kings and queens have been crowned and many famous people were buried. The Houses of Parliament are often referred to as the Palace of Westminster.

Beautiful places of London

- London have many museums . For example, the British Museum, the Natural History Museum, the Science Museum. The British Museum is the biggest museum in London. The museum is famous for its library — one of the richest in the world.
- There are many beautiful parks in London. St James's Park, Green Park, Hyde Park, and Kensington Gardens are linked together and form above 300 hectares of parkland in the heart of London.
