

Beauty Around The World

Ireland and UK

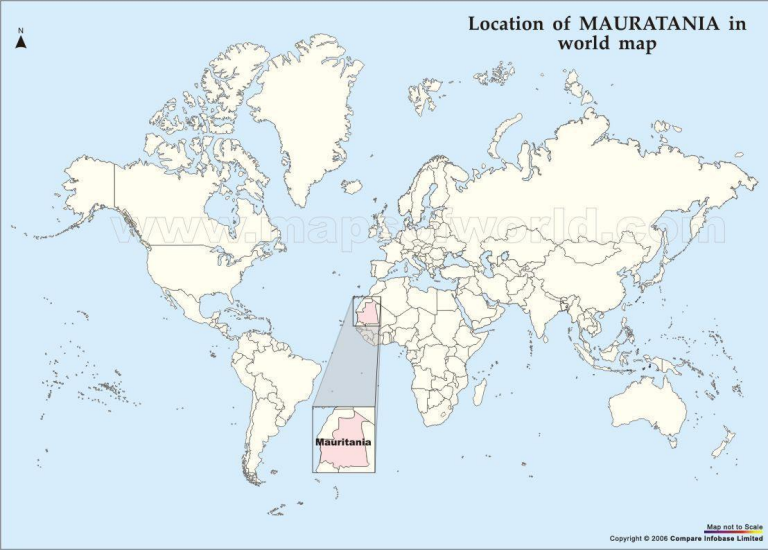

Women with long straight hair, tanned skin, and very slim bodies are thought to be the most attractive. A lot of money is spent on slimming products and 'fake tan' products.

France

Looking natural is the most beautiful. French woman wear special types of make-up that make it look like they're not wearing any make-up at all!

Mauritania

Being overweight is thought to be the most attractive.

People try to eat as much food as they can in order to gain weight and be beautiful.

Iran

People want smaller noses and plastic surgery is very popular. It shows that you are rich. Some people wear bandages or tape on their nose even if they didn't get surgery.
