

Russian portrait gallery

My opinion:

- I think, portraits of our teachers should be in this gallery. Because they make our country civil and smart. Only they can make us educated people. They help choose work for the future. A Teacher is an important work in every country. Without a good education any state will cease to exist.

Portrait of a woman in an orange shirt, standing on a balcony overlooking a town and mountains.

Portrait of a woman with short brown hair and glasses, wearing a grey top and a red necklace, sitting at a desk.

Portrait of a woman with long brown hair, wearing a white top and a necklace, framed in a gold frame.

Portrait of a woman with short blonde hair, wearing a white blouse, sitting at a desk with a chalkboard in the background.

Portrait of a woman with short brown hair, wearing a blue patterned top, holding a large bouquet of white flowers.
