

Turkey Time

Stand and Sit Game

Singular
or Plural
Nouns

Directions:

As each slide appears, students read both words to determine which turkey has the singular or plural noun by the question at the bottom.

If the **sitting turkey** has the correct word, **students sit**. If the **standing turkey** has the correct word **students stand**.

There are three sections to play:

Set 1: Find all singular nouns.

Set 2: Find all the plural nouns.

Set 3: Singular and plural nouns mixed.

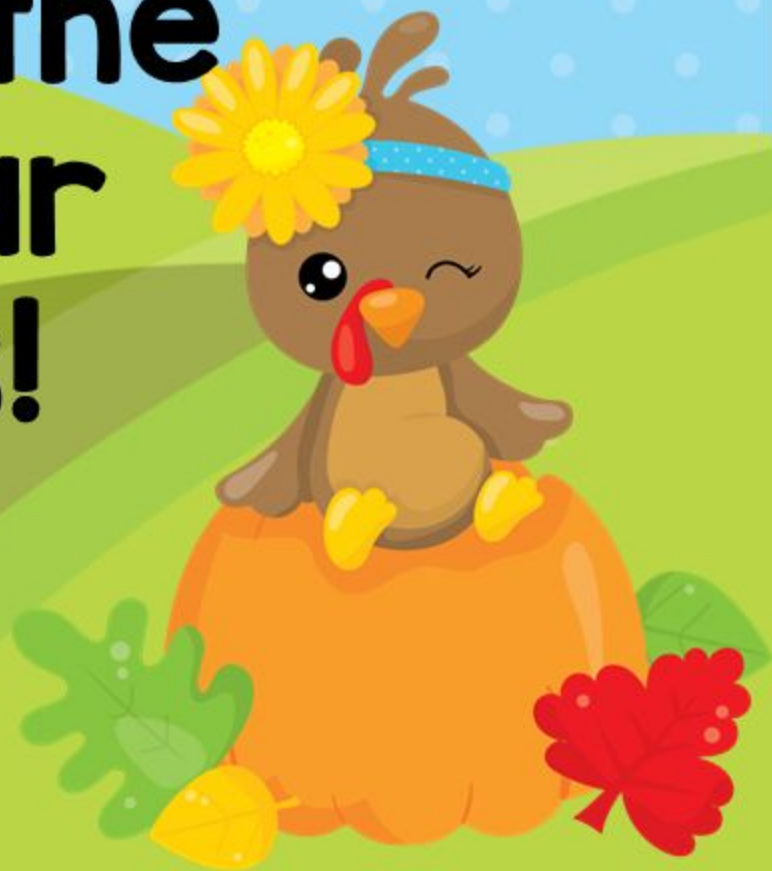

*This last section is more challenging; therefore, you may want to read each question to students before they stand or sit.

Brain breaks are included in this game.
