

A photograph of a geyser erupting in a natural landscape. The geyser is the central focus, with a large plume of white steam rising into a blue sky with scattered white clouds. The surrounding terrain is a mix of rocky ground, sparse vegetation, and a dense forest of evergreen trees in the background. In the foreground, there is a large, shallow pool of water with a dark blue-green hue, surrounded by mineral-rich, brownish-yellow banks. The overall scene is a classic representation of a geothermal area.

❖ Past tenses

Past Simple

Простое прошедшее время
