

*Gavayi

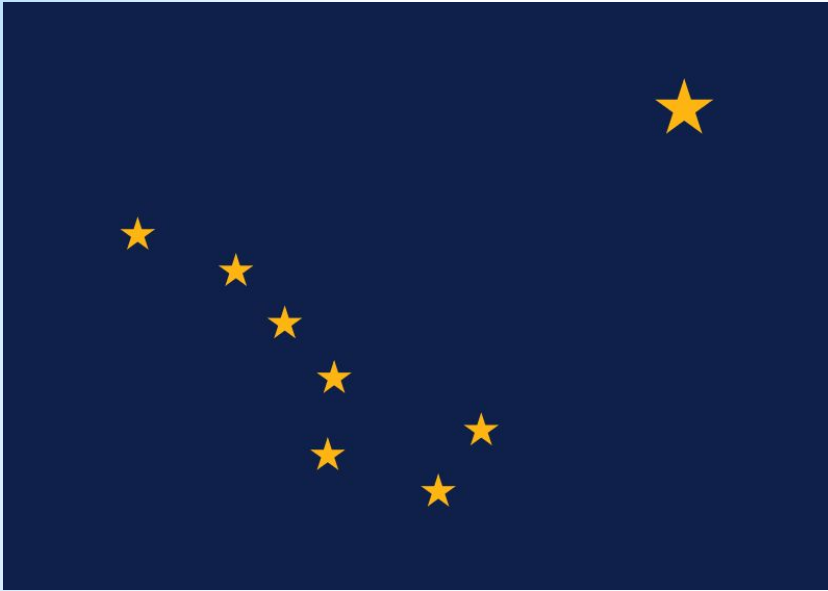

- * **Gavayi- US state. Located on the Hawaiian Islands in the central Pacific Ocean in the Northern Hemisphere at a distance of 3700 km from the continental United States.**

- * On the island of Hawaii are active volcanoes Mauna Loa and Kilauea, the dormant volcano Mauna Kea. Hawaii - the fastest growing area of the earth's surface (a consequence of volcanic activity).

- * The basis of the economy are tourism and services. On the islands - a number of resorts, natural and historical attractions, including the National Park, in the system of US national parks.

*Alaska

- * **Alaska** - the largest on the territory of State of the USA, in the north-western edge of North America. It includes eponymous peninsula, the Aleutian Islands, a narrow strip of the Pacific coast with the Alexander Archipelago islands along the western Canada and the mainland. State is located in the extreme north-west of the continent.

*Beautiful nature of Alaska
