

Hello, Father Frost!

I congratulate you on the upcoming holidays!

I know you have a lot of work, so I'll write
briefly:

This year I tried a good student and helped my
mother. Sometimes I do not get to be very
obedient. I guess I'm half of disobedience. But
I'm trying! Because really like parents and
grandmother . Father Frost, please, bring gifts to
parents and me! Thank you!.

Happy New Year
