I'm a twenty-one-year-old student with a spare room to rent. It's a big room with a bed, a wardrobe and a desk. The flat has two bedrooms, a living room, a kitchen and a bathroom. Only people who meet the requirements below should apply.

5 You need to be on a full-time course because I don't want you hanging around the flat in the daytime.

I lead a healthy lifestyle. I'm a vegan and I don't like people cooking meat in my kitchen. It's equally important that there are no cooking smells during the weekend.

10 If you expect me to be your friend, you'll be **bitterly disappointed**. I'm painfully shy and I can't stand being the **centre of attention**. I don't need a soulmate, I just want a quiet life.

I **sleep badly**, so I don't want you to binge-watch TV programmes or roar with laughter late at night. Lights go out here at 11 p.m.

15 Basically, I'd like you to use your common sense. If I've gone to bed, I expect you to **keep quiet**.

Friends are okay, but if more than three **guests turn up**, it's too much.

20 I set **high standards** of cleanliness here. I like people who are **neat and tidy**. When you move in, we can **reach an agreement** about how we share the cleaning.

I'm quite easy-going.

Lisa's post. Is she very demanding about a future neighbor? Why.
