

Work in pairs

When is your birthday?

How do you celebrate  
your birthday?

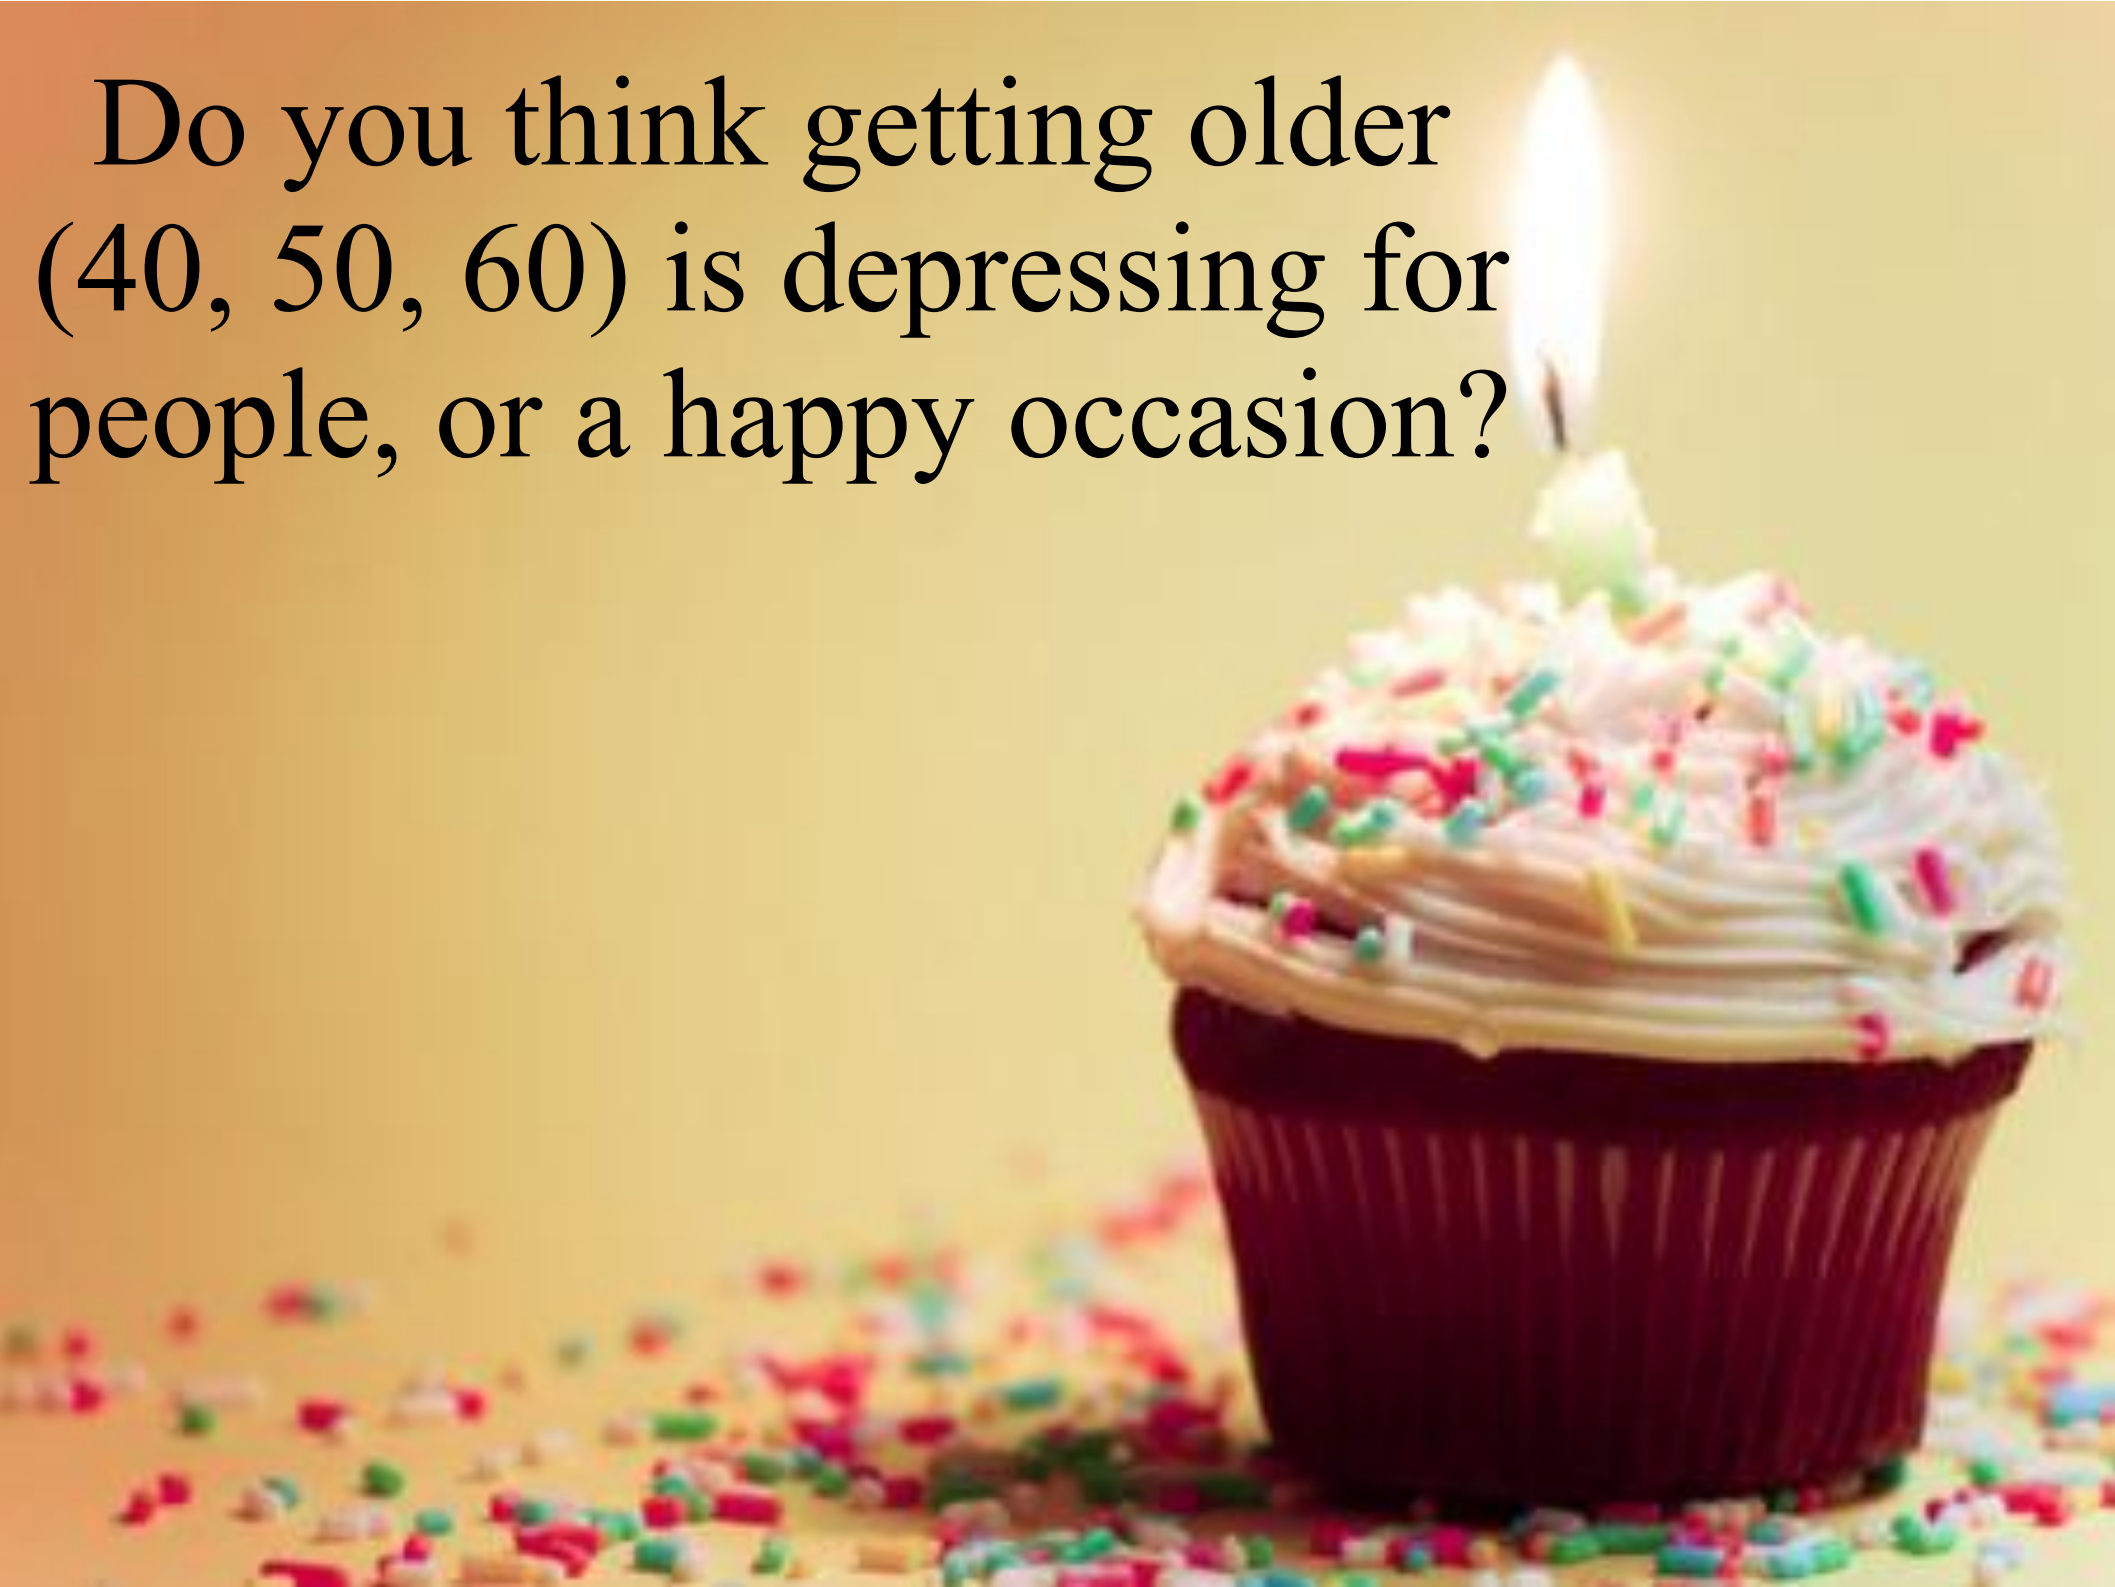

What is the worst  
birthday gift you have  
ever received?

Did your parents give you  
birthday parties when you  
were a child?

Do you think getting older  
(40, 50, 60) is depressing for  
people, or a happy occasion?

What do you think is the  
best age?

Have you ever had a  
surprise party?

Are birthdays really  
important?
