

Work in pairs

When is your birthday?

How do you celebrate
your birthday?

What is the worst
birthday gift you have
ever received?

Did your parents give you
birthday parties when you
were a child?

Do you think getting older
(40, 50, 60) is depressing for
people, or a happy occasion?

What do you think is the
best age?

Have you ever had a
surprise party?

Are birthdays really
important?
