Dear Mr. West:

I was excited to see your opening for a customer service associate and I hope you are interested in an applicant like me. My background includes providing an exceptional customer service experience in a fast-paced environment. Most recently, I worked as a customer service associate at [Redacted] where I was responsible for handling customer inquiries, resolving complaints, and providing product demonstrations. I also worked as a sales associate at [Redacted] where I was responsible for promoting and selling various products. My skills include excellent communication, problem-solving, and customer service. I am confident that I can provide the same level of service and support to your customers.

Previously, I worked with two high-volume customer service centers for a major telecommunications carrier and a satellite television service provider. In these roles, I demonstrated the ability to resolve a variety of issues and complaints (including billing disputes, service interruptions, and equipment malfunctions), leading to high customer satisfaction and repeat business. I consistently met or exceeded my performance goals, leading to an average of 90% customer satisfaction score.

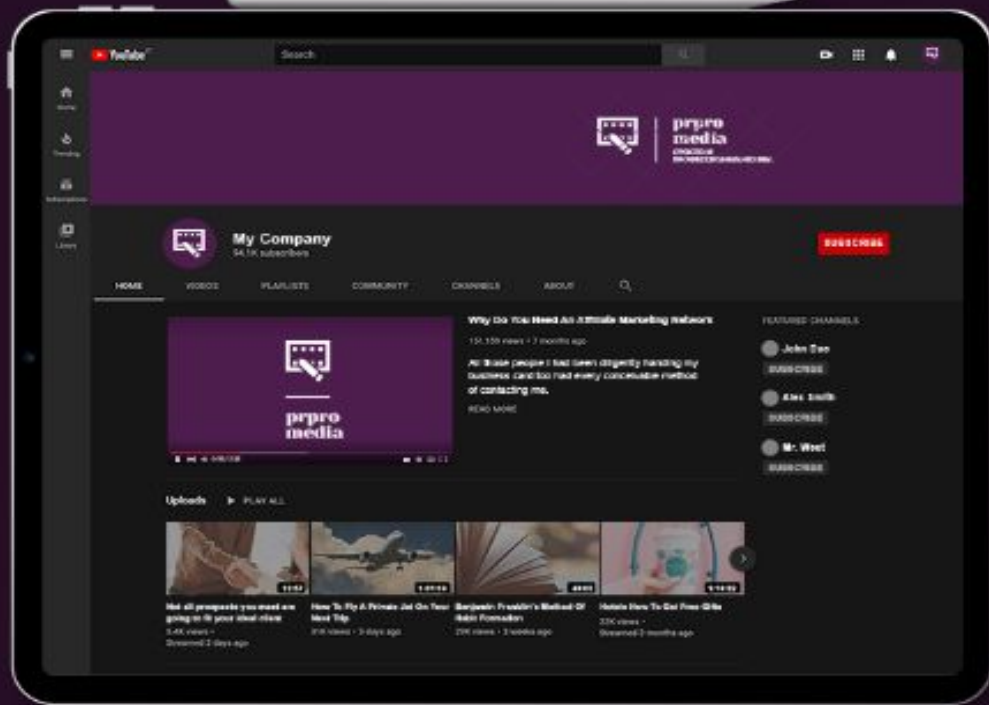

In addition to this experience, I gained excellent customer service skills during my part-time work as a waitress and restaurant hostess at [Redacted] high school.

I am confident that I can offer you the same level of service and support that you are looking for. Please feel free to call me at [Redacted] or email me at [Redacted] if you have any questions. Thank you for your time and consideration. I look forward to hearing from you about this opportunity.

Sincerely,  
Alex Smith

# MY COMPANY LOGO GUIDELINE

Our logo is the touchstone of our brand and one of our most valuable assets. We must ensure proper usage. The preferred way to use this logo is over a white/light background or on corporate background colors.

Every attempt must be made to do this. If the logo must be placed on a dark background or color options are limited then this logo can be knocked out and used in one color.
