Muster SQQ Easy Bern User Muster +

If the «eye» is activated, the user should get a notification by mail, that a new review has been received Fragebogen for this tenant/user & the notification icon (=letter symbol in menu list) should show that a new rating has been received. Please see the second screenshot. Q ID# Titel # Verfolgen? Anzahl Bewertungen Kundenzufriedenheit Garage Bern 661 18 Ausfüllen Testfragebogen N2 \$ 5 795 Ausfüllen 800 Test obligatorische Namen 0 1 Ausfüllen 988 test7 \$ 0 Ausfüllen 989 test5 0 Ausfüllen 1 990 test8 0 Ausfüllen \$ Pro Seite 50

This is how the notification icon used to look like when new reviews were available to look at.

Actual Bug: As you can see, the last rating for the user «Muster SQQ Easy Bern» has been received by today but no change within the notification icon. If you click on the icon you can choose «see all» and then you will be directed to the notification overview. Before, the users were able to see which rating they did not opened yet.
