- Одно из крупнейших предательств. В ходе которого пользователь с ником **The Judge** предал собственный альянс **Circle of Two** и передал его конкурентам Цитадель класса "Keepstar" – крупнейшую космическую станцию в EVE Online.

- Игрок по имени Dipro, являвшийся руководителем одной из корпораций альянса S2N Citizen, смог заполучить себе пост руководителя всего альянса. Сразу вслед за этим S2N Citizen был распущен, причем шпион смог увести со счетов альянса порядка 400 миллиардов в игровой валюте ISK (более 5 тысяч долларов по курсу черного рынка).
