A photograph of the Eiffel Tower in Paris, France, taken from a low angle. The tower is the central focus, rising vertically towards the top of the frame. The sky is a mix of deep blue at the top and bright orange and yellow near the horizon, indicating a sunset or sunrise. A long, thin, white contrail from an aircraft stretches across the upper left portion of the sky. In the foreground, there are green lawns, some trees, and a paved area with a few people walking. The overall scene is romantic and scenic.

Paris the city of love. It is a very beautiful city. I want to visit Eiffel tower. Paris is a city, the capital of France; the administrative center of île-de-France.

The population of 2,274 million people the fifth largest city of the European Union.

An aerial night photograph of Tokyo, Japan. The city is densely packed with lights from buildings and streets. The Tokyo Tower is prominently featured on the right side, illuminated with bright yellow and orange lights. The background is a dark, hazy sky.

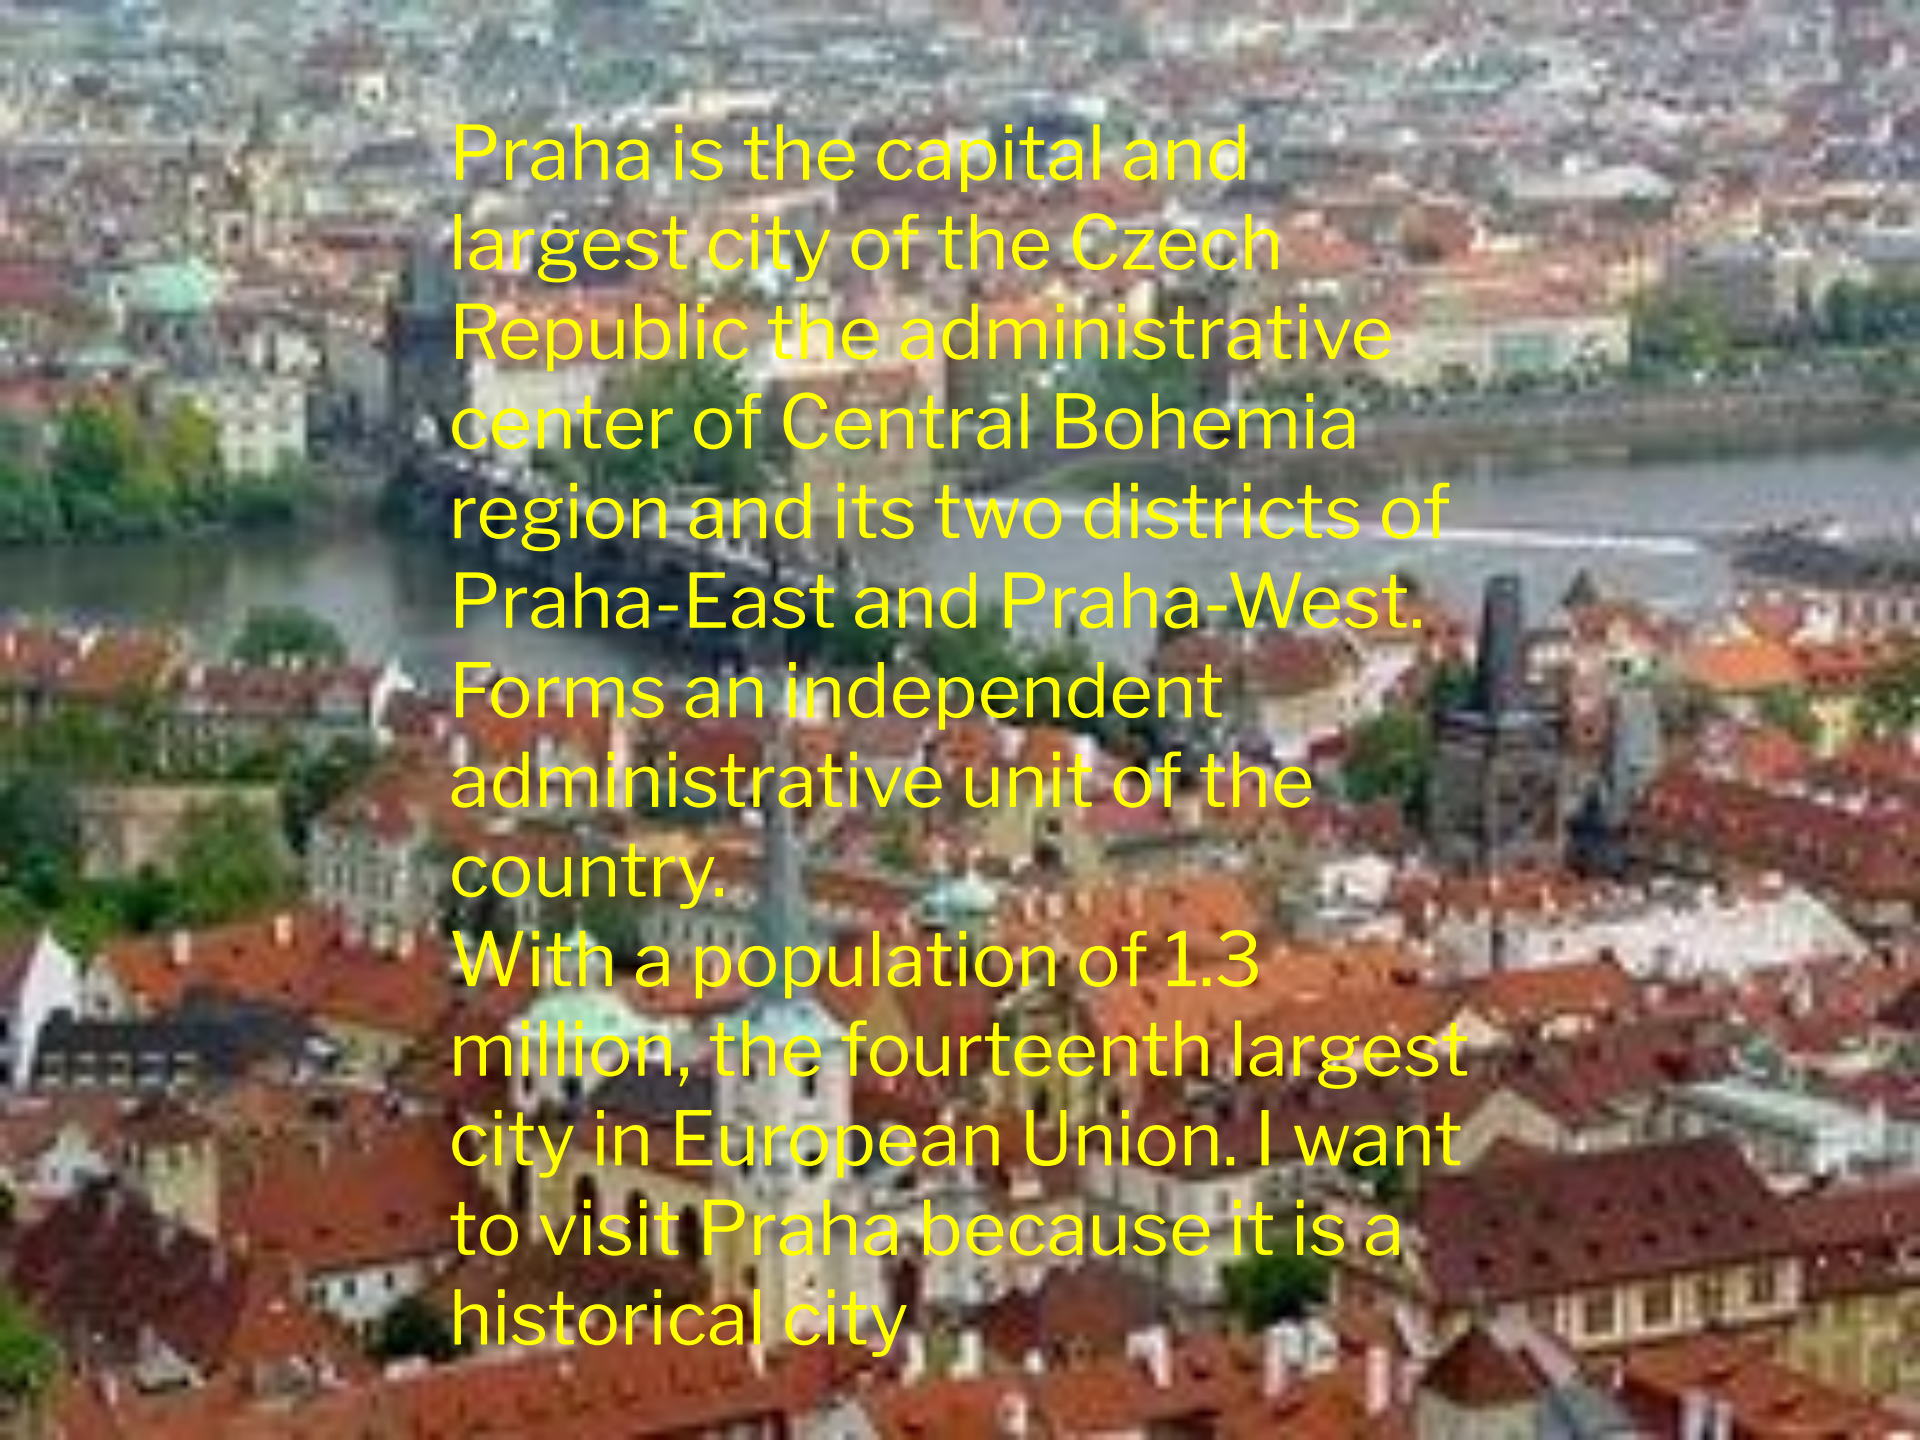

Tokyo, "Eastern capital"  
— the capital of Japan, its  
administrative, financial,  
cultural, industrial and  
political center. The  
largest urban economy  
in the world. Tokyo is a  
city of technology. I want  
to report when it blooms  
the flower is Sakura.

An aerial night photograph of Seoul, South Korea. The city is densely packed with lights, and the Han River is visible in the background, reflecting the city lights. The sky is dark blue, and the city lights are a mix of warm yellow and cool blue tones.

Seoul city, the capital of the Republic of Korea. Forms the country's only city with special status, divided into 25 self-governing districts. The city's official name is the City of special status. Why I visit this city because I like their culture and their clothing and food.

An aerial photograph of Prague, Czech Republic, showing the city's dense architecture and the Vltava River. The image captures the intricate details of the city's skyline, including numerous red-tiled roofs, historic buildings, and the winding path of the river. The text is overlaid on the right side of the image, providing information about the city's status as the capital and largest city of the Czech Republic, its administrative role, and its population.

Praha is the capital and largest city of the Czech Republic the administrative center of Central Bohemia region and its two districts of Praha-East and Praha-West. Forms an independent administrative unit of the country.

With a population of 1.3 million, the fourteenth largest city in European Union. I want to visit Praha because it is a historical city
