Кто превзойдёт меня? Кто
будет равен мне?
Деянья всех людей – как тень в
безумном сне,
Мечта о подвигах – как детская
забава,
Я исчерпал до дна тебя, земная
слава!

И вот стою один, величием
упоен.

Я вождь земных царей, я
фараон!

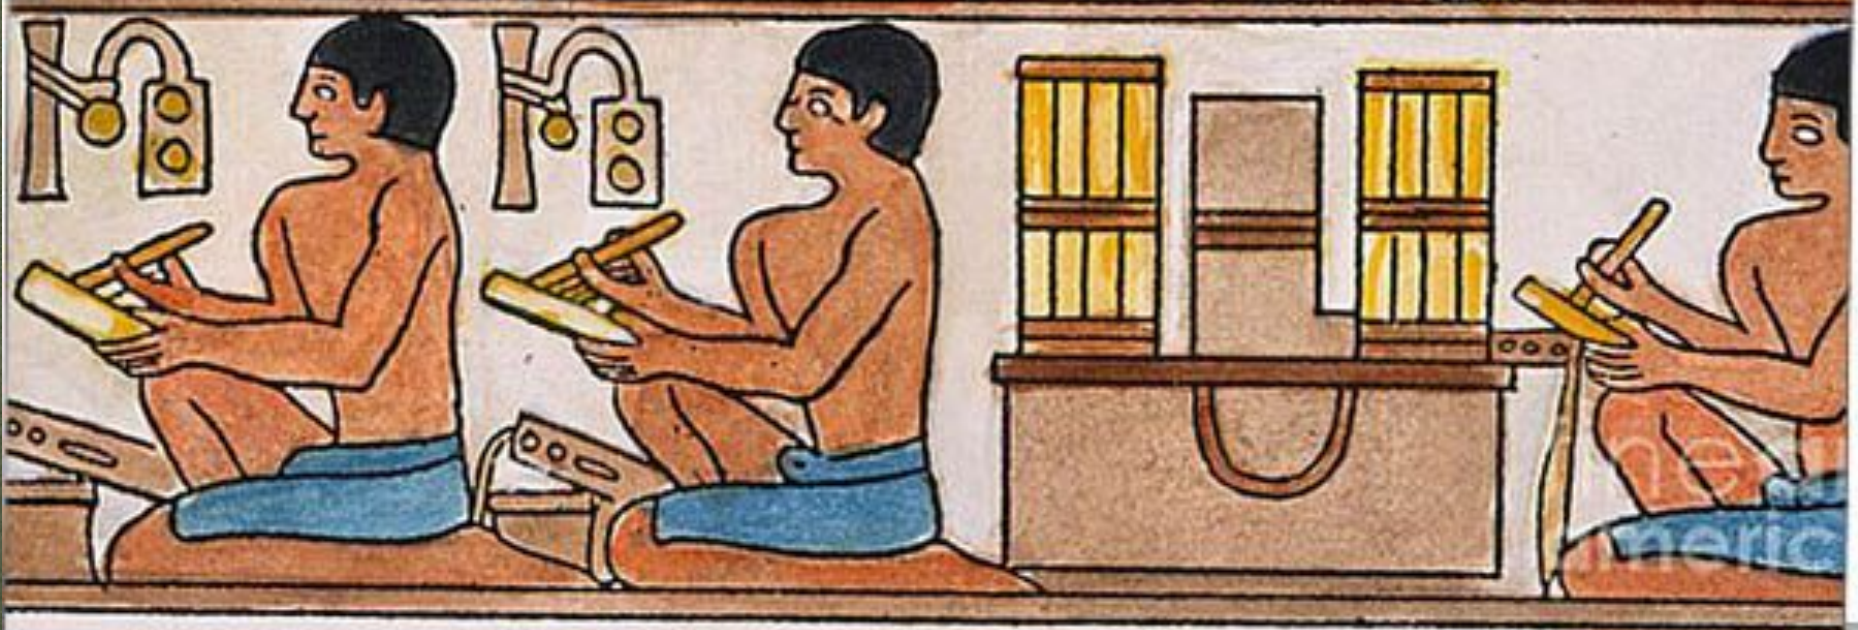

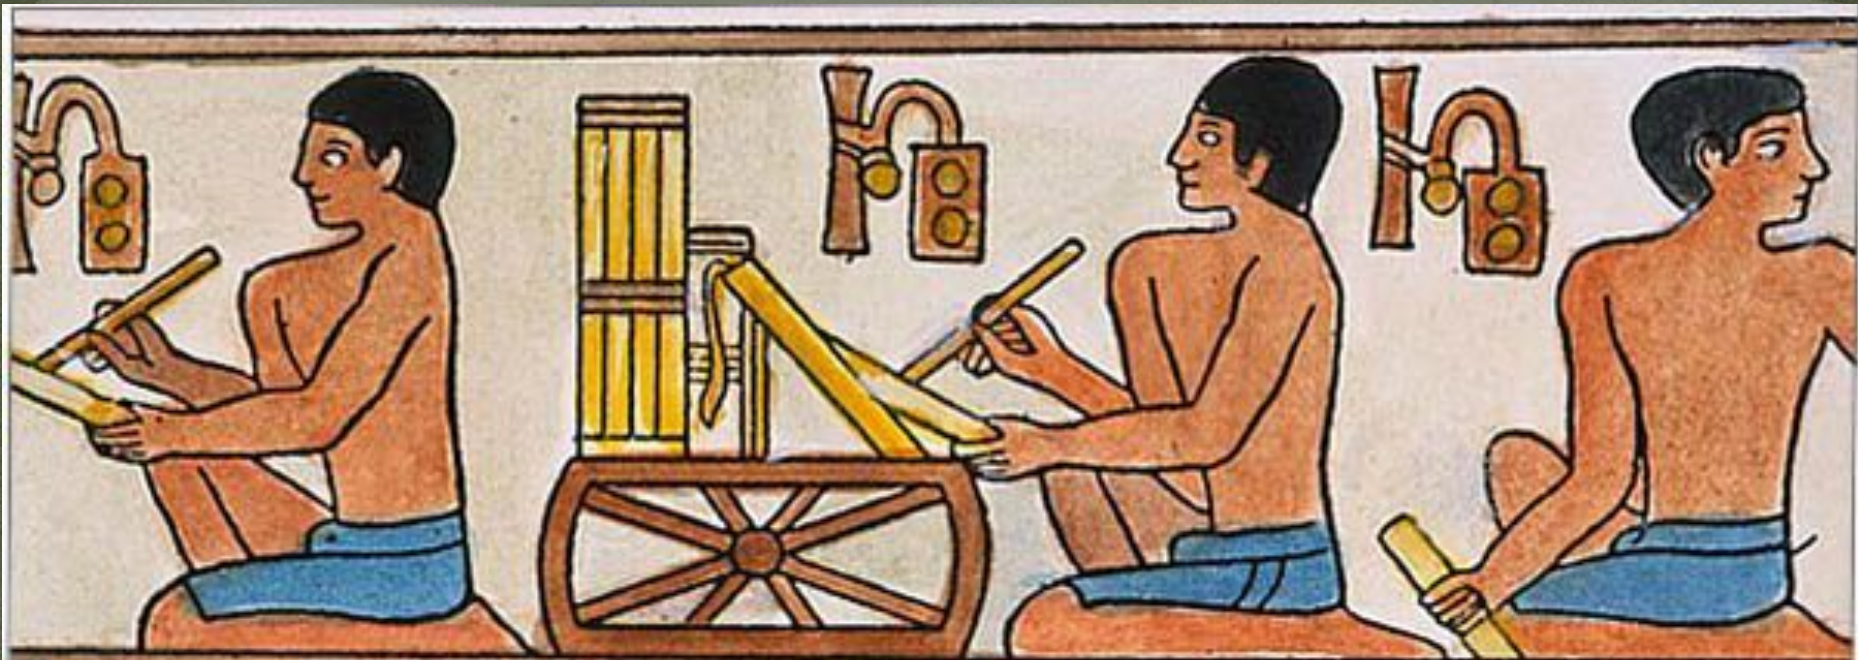

В. Брюсов «Ассаргадон»

Я –жрец Изиды
Светлокудрой;
Я был воспитан в храме
Фта,
И дал народ мне имя
«Мудрый»
За то, что жизнь моя
чиста.

В.Брюсов «Жрец Изиды»
