Table Report from app

Subject: Suburb B Project report

Report creator: Sam GC ,Pulser Construction Ff

Date: 07/01/2019 at 9:08 AM

Heading like today (no change) but on same page

#	Description (most place of table for this column)	Assigned to	Due date	Images
	[Category name] – text.... if no description then put only category (we always have a category)	If no one then leave empty	If no one then leave empty	Here you put a list of <u>links</u> – not the images (same high resolution links that we use today) – each link in line. If no images then leave empty

Windows – Please fix the right corner

Doors – not reaching floor

Images should come in a separate page at the bottom of the table report

Date and hour of photo

- Select blueprint from issue creation (Android) – you select a file and then it opens – please make the more simple solution:
- 1) disable selection or
- 2) stop the selection process when a file is selected and change the blueprint name (currently it opens the file for annotations and when you finish operation nothing happens)

ios crash – I installed app on iphone 5, created first project, took project photo and then app crashed. (then I opened app again and created project and no problem)

The screenshot shows an email client interface with a message from Bugsnag. The message subject is "[Pulser] NSGenericException in __cxa_throw". The sender is Bugsnag <notifications@bugsnag.com> and the recipient is Gideon Ziegelman. The message content includes a stack trace for an NSGenericException in __cxa_throw, with the error message: "*** Collection <CALayerArray: 0x280b310e0> was mutated while being enumerated." The stack trace lists several frames, including Pulser:0 __cxa_throw and Pulser:0 _mh_execute_header. The release stage is identified as "production". The email client interface includes a top toolbar with various actions like Ignore, Delete, Reply, Forward, and Meeting. The bottom of the screenshot shows the Windows taskbar with the system tray displaying the time as 9:25 AM on 24-Jan-19 and the battery level at 85%.
