WHY TO CHOOSE US

Highly Qualified and Experienced Instructors

In our team we have highly motivated and experienced members who are qualified teachers with school teaching experience in both the primary and secondary field.

Educational Benefits

Outdoor learning helps in developing physical skills that they can adapt and apply. Also they acquire technical knowledge and skills which help them to understand how to respond positively during challenges.

Facilities & Logistics

Centre is built for schools and groups existing of three areas capable of accommodating 10 to 100 pupils plus exclusive use with your own dining and communal space.

Location

We are based on the edge of Snowdonia and a 10 minute drive from Anglesey as a result we can easily access the mountains, rivers and lakes one way and the sea and coastline the other.
