ЖИВОПИСЬ

A top-down view of various school supplies arranged on a white surface. In the foreground, there is a large, neat row of colored pencils in various colors (red, orange, yellow, green, blue, purple, pink, etc.). To the right of the pencils is a wooden ruler with black markings and numbers. A white eraser with a blue stripe is placed on top of the pencils. A blue and white marker is also visible. In the background, there is a green notebook with a white grid pattern, several colorful paper clips, and a yellow pushpin. The entire scene is set against a white background with a faint, repeating watermark of a camera icon and the text 'depositphotos'.
