What are professionals saying about Office Timeline Plus?

"I love this! I've been creating all these graphics manually for months and just wanted to smack myself upside the head when I saw this."

"I can't believe I've been using VISIO all these years! I've been missing out."

"I like it because it's simple, intuitive and looks great! I used it with a client who likes the product and has changed how she represents her project schedules."
