Grease International
Beauty Academy の魅力

Grease International Beauty Academy is a Japanese Lash Association-accredited academy.

Many clients or technicians in the world complain about the problems "Does not last long", "Irritates eyes". These problems may result from wrong recognition and knowledge about materials or from their techs being used only in their own fashion.

"Grease International Beauty Academy", JLA-approved academy, is proud of making great contribution to training the world's best client-trusted eyelash technicians by supplying correct knowledge and the world-best technique.

● Point 1

Unified education system by all accredited instructors only.

● Point 2

Man to Man education system for small number of students.

● Point 3

Accepted and enrolled frequently

● Point 4
