

Russian
Dairy
Company

The Russian Dairy Company (Rusmolco) is one of the leaders of the Russian dairy industry. It ranks within the top three largest milk producers in the Russian Federation and is the largest milk producer in the Penza region.

Their core products are milk, cottage cheese, ice cream, butter

As for animals, they are paid special attention by all complex specialists from an ordinary cleaner to a technologist.

All equipment, barns location, maintaining the microclimate, and so on are carefully thought out.

I LOVE ANIMALS, SO WORKING THERE WAS SUCH A PLEASURE FOR ME. MOREOVER, I WOULD DO IT AGAIN.
