Write about daily household chores using the table.
(письмово 5 речень)

I		do shopping	
My dad	always	go to the market	
My mum	often	vacuum the carpets	
My sister	sometimes	clean the windows	
(brother)	never	dust the furniture	every day.
My parents	usually	sweep the floor	in the morning.
My friend		do the washing	in the evening.
		do the washing up	at the weekend.
		make my bed	every week
		make a mess	
		take out the garbage	

Do you help with household chores?

I usually
I every day.

I often

I never
