**СКОЛЬКО КОНЦОВ У ТРЕХ ПАЛОК?**

An illustration of four children and a cat. A boy with blonde hair and a blue shirt is in the center, smiling. To his left is a girl with blonde hair and red pigtails. To his right is a girl with blonde hair and pink pigtails. A small yellow cat is peeking out from behind the boy. All four are looking over a large, light-yellow banner with a dark brown border. The banner contains the text 'Число ШЕСТЬ в Стране геометрических фигур.' in red. In the bottom left corner, a red number '6' with a face, arms, and legs is holding the banner.

Число ШЕСТЬ в Стране  
геометрических фигур.
