# Plan

## 1. Goals and objectives

## 2. General characteristics of the shopping center

- Name and location
- Structure of the shopping center
- The first floor
- Second floor
- Third floor
- Fourth floor
- Fifth floor

## 3. List of Information sources

# Goals and objectives

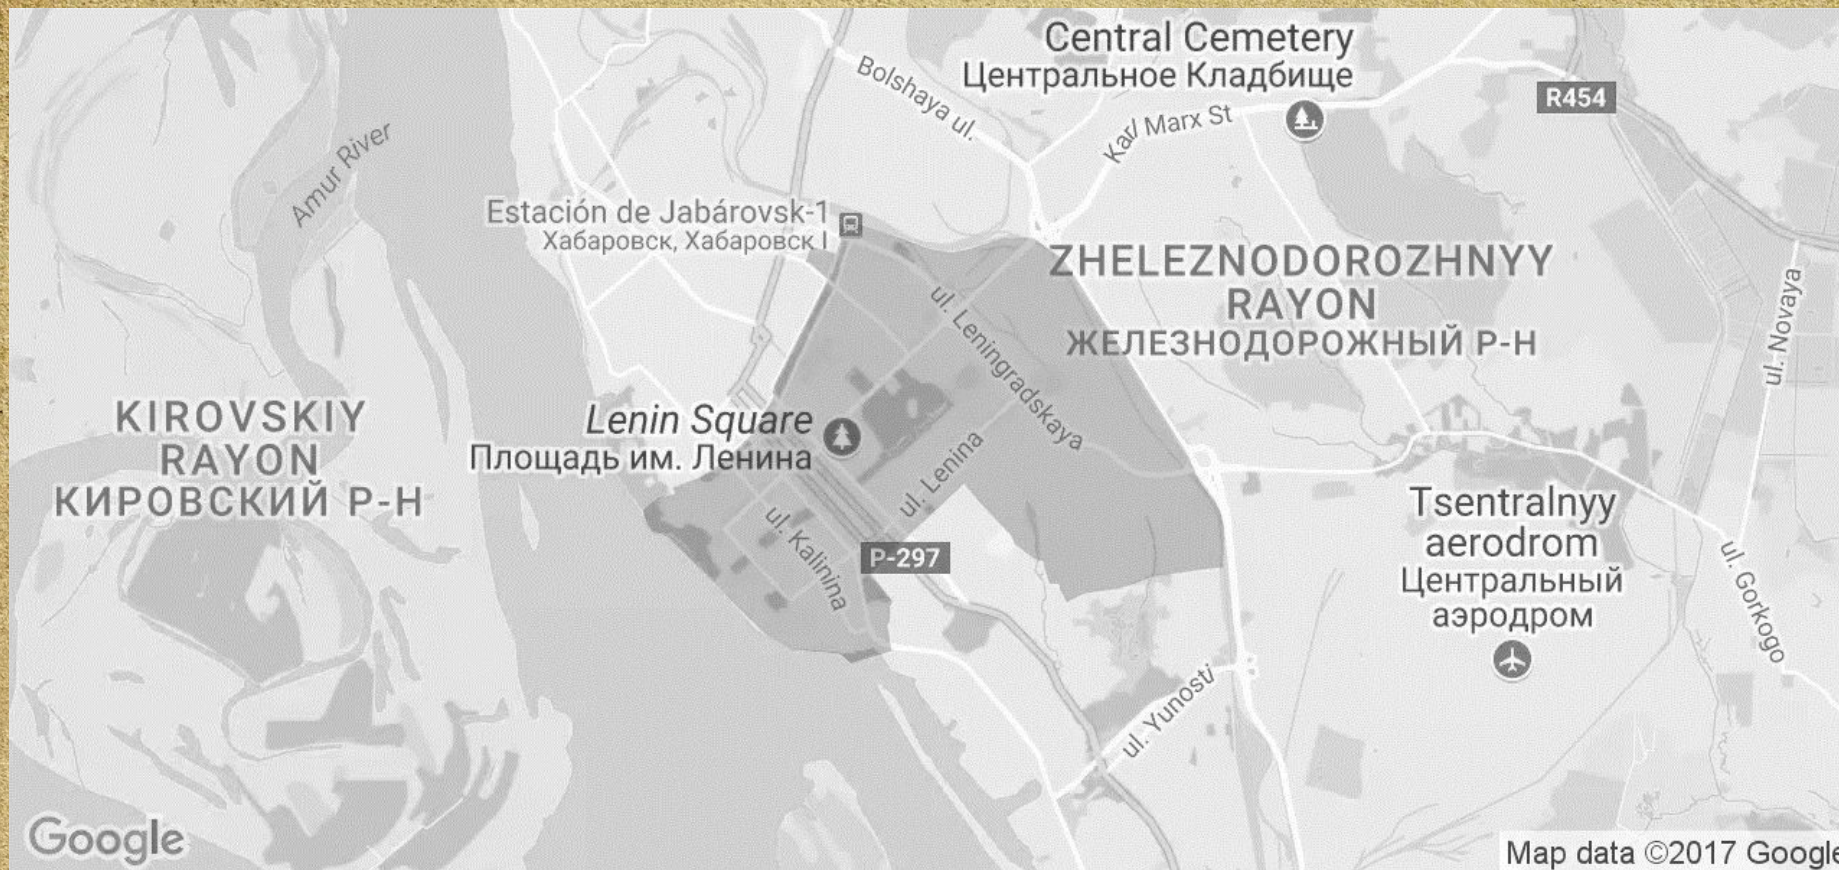

1. Learn to perform practical tasks
2. Develop your imagination
3. Learn to think creatively
4. Ability to work with familiar materials and complement them

# General characteristics of the shopping center

## *Name and location*

The shopping center called "Raccoon David" is located in the heart of the city of Khabarovsk

# *Structure of the shopping center*

This shopping center has 5 floors. And each is divided according to its own topic. There are several entrances. One of the Central, second left, third right, and fourth-entrance with Parking

The area is about 45,000 square meters

# *The first floor*

On this floor there is a large dressing room, 3 coffee shops, 2 cafes and a small recreation area for children with a children's cafe. There are several ways to get to the other floors.

First: on a transparent Elevator, which is located right in the center of the shopping center, the second-on a regular Elevator and the third method: on the escalator

## *Second floor*

This floor consists of food courts and a children's play area. There is a huge amount of different food. Whatever you want, it will be. Children under 15 can play in their own area. There are also 2 cinemas with several halls

# *Third floor*

And here is a Paradise for shopaholics. A huge number of different boutiques. There are children's clothing and adult clothing, shoes, and even clothing and toys for animals.

# *Fourth floor*

www.biztotal.ru

There is a large supermarket here. And the floor itself is filled with toy stores, gift shops, and all sorts of similar paraphernalia.

## *Fifth floor*

This floor is intended for a water Park. There is a children's area, an adult area and an area for the elderly. There are various bars and other entertainment options

# List of Information sources
