

This is a house like a **cube**,

This is a whistle like a **tube**,

This is a clock, it is **round**,

These are **lines**
on the ground,

This is a carpet like a **square**,

These are **ovals** like a bear,

These are **arrows** look like chairs,

These are **bubbles** in the air,

These are **triangles** – Christmas tree!

What a fun!

Can you see?
