A vibrant, stylized illustration of a forest scene. The background is a bright, clear blue sky with a large, glowing sun in the upper right quadrant. The sun has a white center and a soft, multi-layered glow. In the foreground, there are several trees with green leaves and some yellow catkins. A woodpecker with a red crest and black and white body is perched on a tree trunk on the left side. The ground is covered with green grass and various colorful flowers, including red tulips and blue flowers. The overall style is clean and modern, with a focus on bright colors and simple shapes.
