The screenshot shows the website 'Лингво-лаборатория «Амальгама»'. It features a search bar and a navigation menu on the left. The main content area displays the title 'Перевод текста песни Rolling in the Deep исполнителя (группы) Adele'. Below the title, there are two columns: the left column shows the original English lyrics, and the right column shows the Russian translation. The interface includes a keyboard for selecting characters and a 'Переводить' button. The Russian translation is: 'В моем сердце загорается жар. Периодичной в ритмике - я и выбираюсь из тюрьмы...'. The English lyrics are: 'There's a fire starting in my heart, / Burning a few pitch and it's leaning me out the door. / Ready, I can see you crystal clear, / So ahead and tell me out and I'll lay your axe back. / See how I love, with every piece of you, / Don't underestimate the things that I will do.'
